*In Loving Memory of*

**Dragan Berislav Jović**  
(October 14, 1985 - September 12, 2009)

*Nebo nek' te čuva moja zvijezdo jedina, vrijeme  
nek' ti skrate najljepši stihovi pjesme anđela.  
Znam ti me s neba gledaš i paziš, očima svojim  
bisernog sjaja, a kada suze pustiš po meni, doći  
ću gore, postelju spremi...*

This memorial website was created to remember our dearest Dragan Jović who was born in Mostar, BiH on October 14, 1985 and went with our LORD on September 12, 2009 (a single car accident-roll over) at the age of 24. You will live forever in our memories and hearts.

Please read his [Life Story](#) and feel free to [light a candle](#) in Dragan's name. It brings a lot of comfort knowing that someone else are thinking of him. [Molimo pročitajte njegovu Životnu Priču i slobodno zapalite svijeću u Draganovo ime. To nam daje veliku utjehu, znajući da još neko misli na njega.](#)

**In memoriam**

**.....zaustavljen u koraku i snu.....**

**Sjećanje na jednog velikog čovjeka, na voljenog sina, brata, prijatelja....**

**na jednu veliku**

**i neprežaljenu ljubav....**

**Otišao si i ostavio veliku prazninu u našim životima....**

**Vrijeme ne liječi rane, svaki dan je teže bez tebe....**

**Mi nikada nećemo naučiti živjeti bez tebe**

samo će mo naučiti živjeti sa bolom

kojeg nosimo u našim slomljenim srcima....

Praznina koja je poslije tebe ostala nikada

više neće biti popunjena....

Samo će ostati iskrena ljubav onih koji te vole

i koji će te vječno voljeti....

**HVALA**

za svaki dragocijeni trenutak tvoga života koji si podjelio sa nama.

**HVALA**

za svaku toplu riječ koja je sišla sa tvojih usana,

za svaki osmijeh, zagrljaj.....

**Ti**

ćeš vječno ostati dio naših života...

Sjećanje na tebe će mo zauvijek nositi

duboko u nama i nikada nećeš biti zaboravljen!

Tvoj dragi lik će mo nositi u našim srcima...

**Počivaj u miru Anđele....**

**...Volim te danas više nego juče**

**a manje nego sutra.....**

**Dragan Jović**

The background of the entire image is a textured, mottled olive-green or taupe color. In the upper right quadrant, there are two roses. The one on the left is smaller and more tightly closed, while the one on the right is larger and more fully bloomed. Both roses are rendered in a light, almost white color, making them stand out against the darker, textured background. The overall mood is somber and elegant.

For a couple years you have left a number of sweet candles on my son's website. As you know it is painful but I wanted to reciprocate with a note at least as you lost your son also. It hurts, it does not go away no matter how many years it has been, but we do know they are with us and waiting for us to join them. Your son sounds like a great guy and I know that my son Aaron would have loved him. I wish they could have met on this side. I think they have met on the other side which is why we are connected. Thank you for everything. Condolence for your loss, I know you miss Dragan. Blessings to you and your family. Keep in touch!

Love from Sheri Stratz, Aaron Stratz's mother.

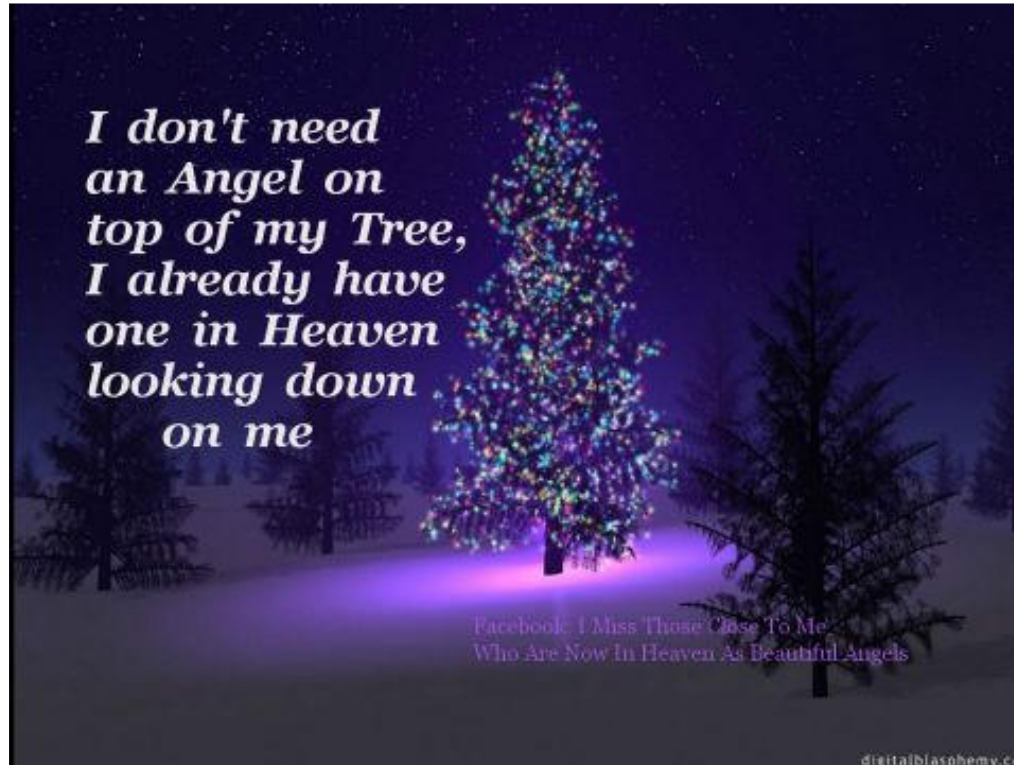

P.S. Sorry it took so long for me to find you. Sometimes it is so hard I cannot deal. I am getting stronger and miss my Boo (Aaron's nick name as well as Boo Bear and honey bunny, sweetie etc..... everyday, but I am doing things in his name which is making a difference in my city's youth that need help and have no parents. Will read farther into Dragan's website and the next time I talk to you I may have questions about

the stories. Thank you for all you do.

Sweet Dragan,

I wish Heaven had a phone so I could hear your voice again. I thought of you today, but that is nothing new. I thought about you yesterday and the day before that too. I think of you in silence, I often speak your name. All I have are memories and a picture in a frame. Your memory is a keepsake, from which I'll never part. God has you in His arms, I have you in My Heart. I miss you & Love you Dearly.

***Sad day in September***

***September 13, 2012***

Dearest Dragan,

I know September 12th was such a sad day for your family. We miss our angels everyday of the year but certain days are even more sad reminders of your leaving our earthly presence. Send many hugs to your loving family who is missing you more with each passing day. We know we shall all be together again one day but this does not make it any easier to bear. You are thought of each and everyday by so many who knew and loved you and by many who never met you but who know you through your loving family and know that you are a beautiful young man who is now a beautiful angel. God Bless you and your family through all of these sad days

ANNIVERSARY Your child left this earth not long ago, On a day that's difficult to recall. That day that ripped your heart out, A pain not understood at all. I know the deep wound it has left you, You see, I have that open wound too. Because....my child was taken from me, Just as your child was taken from you. It doesn't matter how long it's been, A year, a few years, or many more. The days gone by are lonely echoes, Of a much happier life and time, I wish for you the comfort of memories, Held forever in your heart and mind. Just know your child is reaching out, To announce that life is not through, To tell you that the spirit never leaves, And is always watching over you. So on this special anniversary, Let there be honour and memories and pride. May you feel the spirit of everlasting love, On this day that your sweet child died

Last night while I was trying to sleep,  
My son's voice I did hear.  
I opened my eyes and looked around  
But he did not appear.

He said, "Mom you've got to listen,  
You've got to understand,  
God didn't take me from you,  
He only took my hand.

When I called out in pain that day,  
The instant that I died,  
He reached down and took my hand,  
And pulled me to His side.

He pulled me up and saved me  
From the misery and pain.  
My body was hurt so badly inside,  
I could never be the same.

My search is really over now,  
I've found happiness within.  
All the answers to my dreams,  
and all that might have been.  
I love you so and miss You and  
I'll always be nearby.

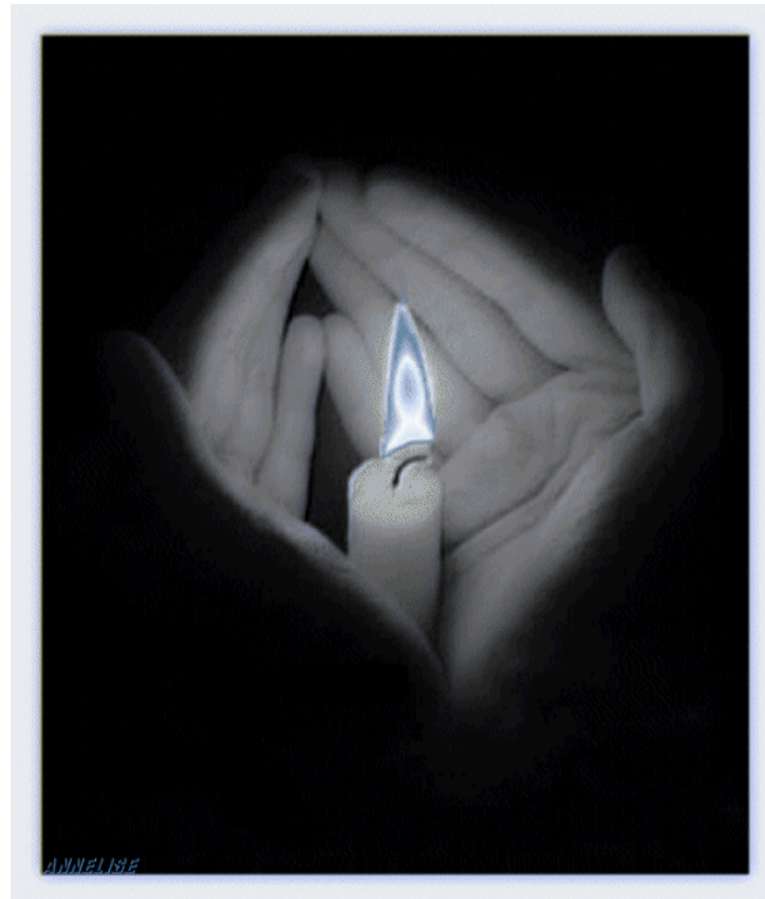

My body's gone forever,  
But my spirit will never die!

And so, you must go on now,  
Live one day at a time.  
Just understand -  
God did not take me from You,  
He only took my hand.

Love**

**May 13, 2012**

Everybody knows that a good MOTHER gives her children a feeling of trust and stability. She is their earth. She is the one they can count on for the things that matter most of all. She is their food and their bed and the extra blanket when it grows cold in the night; she is their warmth and their health and their shelter; she is the one they want to be near when they cry. She is the only person in the whole world in a whole lifetime who can be these things to her children. There is no substitute for her. Somehow even her clothes feel different to her children's hands from anybody else's clothes. Only to touch her skirt or her sleeve makes a troubled child feel better!!

*I want to say Mom, Thank You, for your unconditional love.*

I am so sorry Mom, that I had to leave you here on earth. You took such good care of me Mom, ever since my birth.

Please Mom, it hurts me, to see you sad and cry. I really am happy Mom and I'm the handsome angel in the sky.

I am still here Mom, in everything you see and do. I am the sun shining in the sky when it is ever so blue.

I am the birds singing in the light of an early dawn. I am the smell of Daddys freshly mowed lawn.

I am the sound of raindrops, on your window pane. I am the rainbow, at the end of the rain.

I am the butterfly fluttering by with delicate ease. I am the sound of wind blowing through the trees.

I am the ladybug, found walking your arm one time in May. I am here Mom, thinking of you, on Mother's Day

Sweet Handsome Dragan & Family,

I cannot tell you how I feel or there are not any words to express how I met such wonderful families on my babies site and all the other beautiful families and their beautiful children. It is like I have known all of you for such a long time.

No matter which site I go to I read the whole life story of each child every time. Even though I have read them already.

That is why I feel like they are family to me. I also cry each and every time. I am trying to get back to each family that continue to write to my Joey. I just put my Mother in a Nursing Home and I am there everyday to feed her.

I was taking care of her for 5 1/2 months at home, until I could no longer do it by myself.

I am now taking care of my father, and I am just exhausted. My father is starting to get the same thing as my mom and it is a nightmare. She has Alznmheimer's Disease. I have been a nurse for 38 years, when my baby was taken from me

I went out on medical leave and I did try to go back on 3 different occasion's and I could no longer do it I did not want to

put my patient's at risk with my frame of mind. Since my Joey, it took some time but, I did write a book.

I thought it would help many Mom's & families. I had to put everything on hold.

I had book signing, readings, etc. I am actually on my second book but of course I had to stop in the middle of writing and put that on hold aso. As you know families of course come first.

I am still in mourning over my baby and will be until my time comes & I am reunited with my Joey once again.

I am hoping with all my "heart" it will help others. You can also get any and all information at [www.deborahdematthews.com](http://www.deborahdematthews.com)

But I want to thank you all from the bottom of my heart for writing to my Joey.

To my dearest friend,

Love to each and every one,

Love,  
Debbie/Joseph's Mom. I also want everyone to know that any proceeds from the book is going to charity,  
school's, church's  
any families that lost a love one unexpected, in Joey's name, to me it is keeping my Joey's name alive.

May you find serenity and tranquility in a world you may not always understand.

May the pain you have known and the conflict you have experienced

give you the strength to walk through life

facing each new situation with courage and optimism.

Always know that there are those whose love and understanding will always be there,

even when you feel most alone.

May you discover enough goodness in others to believe in a world of peace.

May a kind word, a reassuring touch, and a warm smile be yours every day of your life,

and may you give these gifts as well as receive them.

Remember the sunshine when the storm seems unending.

# *A Mother's Crown*

*Heaven lit up with His mighty presence,  
As all the Angels looked down,  
Today the Lord was placing the jewels,  
In all the mother's crowns.*

*As He held up a golden crown,  
As all the mother's looked on,  
He said in His gentle voice,  
"I just want to explain each stone."*

*He held the first gem in His hand  
But the radiance couldn't match His own.  
For He was the light of Heaven,  
Reflecting off each of the stones.*

*"The first gem," He said, "is an emerald,  
And it's for endurance alone,  
For all the nights you waited up.  
For your children to come home.*

*For all the nights by their bedside,  
You stayed till the fever went down,  
For nursing every little wound,  
I add this emerald to your crown."*

*"A ruby, I'll place by the emerald,  
For leading your child in the right way,  
For if you hadn't taught them about me,  
They wouldn't be here with you today.*

*For always being right there,  
Thru all life's important events,  
I give you a sapphire stone,  
For the time and love you spent."*

*"For untying the strings that held them,  
When they grew up and left home,  
I give you this one for courage."  
Then the Lord added an amethyst stone.*

*"I'll place a stone of garnet," He said,  
"For all the times you spent on your knees,  
When you asked me to take care of your children,  
And them for having faith in me."*

*"I have a pearl for every little sacrifice,*

*That you made without them knowing,  
For all the times you went without,  
To keep them happy, healthy, and growing."*

*"And last of all I have a diamond,  
The greatest of all gems,  
For those mother's who lost their children,  
When they came home to heaven before them."*

*"This is the most precious sacrifice,  
So I give the most precious stone,  
For I know just how you felt,  
I too lost a child of my own."*

*After the Lord placed the last jewel in,  
He said, "Heaven is now complete,  
For every mother has her crown of jewels,  
And all her children are at her feet."*

**Special Child**

**The world no longer listens...  
to the sorrow in my soul  
As if I should be better  
Should live with some control**

**It's not a simple sorrow...  
when you've lost your special child  
There is no simple answer...  
No living in denial**

**After months have passed on by...  
The world thinks I am fine  
As if I should be over it...  
That I should be resigned**

**Inside I am still grieving  
Alone I still do cry  
Since they think I'm over it...  
On me I do rely**

**I make it through each day...  
but as night begins to fall  
My heart reminds me often...  
I'm not over it at all**

**So as I sit in silence  
It's you I'm thinking of  
While the world thinks I'm much better...  
I am missing our sweet love**

*My Tears will end when I'm home with you in heaven*

**They think I'm fine and over it.**

**They think I'm fine and over it  
Accepted that you died  
But I live life with all this pain  
And countless tears I've cried**

**I am forced to live with endless pain  
That others can't accept  
They think I'm fine and over it  
Or that I'll soon forget**

**I want to scream from rooftops  
Or silently just cry  
I never will be over it  
My God my child died!**

**It makes no sense to argue  
My energy is low  
So when they think I'm over it  
I simply tell them No**

**I've become what they have wanted  
A turtle in it's shell  
Just keep my thought within myself**

**And never ever tell**

**I mask my life to others  
To myself as well  
For living every day on Earth  
Is surely more like Hell**

**Simply put I won't get over it  
Not better...stronger... fine  
It is only that I've had no choice...  
To live this life of mine**

Dearest Dragan,

I always read your site everytime I visit you. You were around the age of my Joey. Your Family Misses you as much as I miss my Joe. We will never get over it and our life will never be the same. I always ask 'WHY'. I will never understand it. The ones left behind are the ones who suffer daily. You where so young and I am sure you had so much more to live for. I have been a nurse for 38 years and I am now on medical leave. With all my pain and suffering I don't know how I did it but, I wrote a book. Please visit: [www.deborahdematthews.com](http://www.deborahdematthews.com) when you have time. When this happened and Joey was taken from me, I

started a non-profit corp. in his name.

I give any proceeds from that and my book to families, charities, schools, churches, etc. in JOEY'S name. For some reason to me it makes me keep him alive in some way.

Thank you for writing to my Joey.

Love, Debbie

**Hello, Old Friend,  
Oh, yes, you know  
I lost my child a while ago.  
No, no please  
Don't look away  
... And change the subject  
It's ok.  
You see, at first I couldn't feel,  
It took so long, but now it's real.  
I hurt so much inside you see  
I need to talk,**

Come sit with me?  
You see, I was numb for so very long,  
And people said, "My, she is so strong."  
They did not know I couldn't feel,  
My broken heart made all unreal.  
But then one day, as I awoke  
I clutched my chest, began to choke,  
Such a scream, such a wail,  
Broke from me...  
My child! My child!  
The horror of reality.  
But everyone has moved on, you see,  
everyone except for me.  
Now, when I need friends most of all,  
Between us there now stands a wall.  
My pain is more than they can bear,  
When I mention my child,  
I see their blank stare.  
"But I thought you were over it,"  
Their eyes seem to say,  
No, no, I can't listen to this, not today.  
So I smile and pretend, and say, "Oh, I'm ok".  
But inside I am crying, as I turn away.  
And so my old friend, I shall paint on a smile,  
As I have from the start,  
You never knowing all the while,  
All I've just said to you is in my heart.

***Four Candles***

***December 9, 2011***

**Four Candles**

The first candle represents our grief.  
The pain of losing you is intense.

It reminds us of the depth of our love for you.  
This second candle represents our courage.  
    To confront our sorrow,  
    To comfort each other,  
    To change our lives.  
This third candle we light in your memory.  
    For the times we laughed,  
    The times we cried,  
    The times we were angry with each other,  
    The silly things you did,  
    The caring and joy you gave us.  
This fourth candle we light for our love.  
We light this candle that your light will always shine.  
As we enter this holiday season and share this night of remembrance  
    with our family and friends.  
We cherish the special place in our hearts  
    that will always be reserved for you.  
    We thank you for the gift  
    your living brought to each of us.  
    We love you.  
    We remember you.

Prayer for the Loss of a Loved One

Dear God, experiencing the loss of a loved one is so shattering.  
It's so difficult to greet each day when my loss has left me empty and numb.  
Help me fill that void with the focus of the wonderful memories we shared.  
Allow me to feel the comfort and gentle encouragement of your angels whispering  
that my loved one is safe and happy with you.  
Please nourish me with your love and give me the strength and will to carry on. Amen

I believe that our Angels walk with us still, although we can no longer see their Earthly faces. They laugh with us when we're happy and comfort us in our sorrow. Your handsome son Dragan was taken away far too soon. It would always be too soon. I wish I knew some magic words to make it easier, to take away the pain. I pray that you find comfort in the memories you have of Dragan and in your faith that one day you will be together again.

Thank you Berislav for the kind words, candles & graphics for my brother Patrick. I pray for you & your family on your continued journey & I know we'll meet some day in Heaven when we're reunited with Dragan, Patrick & all of our loved ones. Until then, may God Bless you!

Thank you so much for thinking of Samantha on her first Angelversary. The days have grown so long. Bless your lovely angel. May they be at peace and know joy we can only dream now. Samantha lost her fiance

and child hood sweetheart just a day after her 20th Birthday.(Travis Dunn) also on vitual memorials. Her sadness led her into hopelessness and made her a great target for people that took advantage of that. She was a gentle and hopeful young lady pior to that loss. She believed he had worked through his problems at rehab and was so happy on her birthday. She discovered on her birthday that he still had his demons, she argued with him and left him at his home. He was found by his Father the next day, he did not wake after she left him. Today we celebrate our Angel Samantha Loren Jones 3/25/89-8/25/10💔

## MEMORIES

*Life stands still and aches with memories.*

*Memories that aches so deeply of a precious life cut too short.*

My son Patrick who left me behind to grieve  
a loss that has no words, no definition,  
no explanation, no concept.  
I am left only with sorrowful feelings that linger deep  
within my wounded soul reminding me to hold on to those  
bittersweet memories.  
These memories which came from a life that I love  
so dearly and treasure.  
God, help me to keep those powerful memories  
because today I cherish them more than my own existence,  
for it is my memories of my son Patrick, who is my life and  
my light until the end.

Do not stand at my grave and weep,  
I am not there, I do not sleep.  
I am a thousand winds that blow.  
I am the diamond glint on snow.  
I am the sunlight on ripened grain.  
I am the gentle autumn rain.  
When you wake in the morning hush,

I am the swift, uplifting rush  
Of quiet birds in circling flight.  
I am the soft starlight at night.  
Do not stand at my grave and weep.  
I am not there, I do not sleep.  
Do not stand at my grave and cry.  
I am not there, I did not die!

G. Jović, Samo sam htjela reći hvala za uzimanje vremena za pisanje poruka i na ljubaznim riječima koje je napisao. To je vrlo velik dio poštovati. U pravu ste ~ samo drugi roditelj koji je izgubio dijete i da će shvatiti bol. Bol koja ne ide daleko. Vi ste uhvaćeni u tom "prostoru" što koristiti kako bi se "i"ono što je "... ne znajući kako zaista živjeti više. Ja sam žalostan za tvoj gubitak i bol da je to što uzrokuje . i svoju obitelj (svoju Dragon je zgodan mladić previše), to ne bi trebao biti ovaj način It's not Pretpostavljam da se na taj način opet, hvala Becky ~ Mama u FFF Jarrett Little (FFF stoji za:..!. Dear Mr. Hallmark,

I am writing to you from heaven,  
and though it must appear

A rather strange idea,  
I see everything from here.

I just popped in to visit,  
your stores to find a card

A card of love for my mother,  
as this day for her is hard.

There must be some mistake I thought,  
every card you could imagine

Except I could not find a card,  
from a child who lives in heaven.

She is still a mother too,  
no matter where I reside

I had to leave, she understands,  
but oh the tears she's cried.

I thought that if I wrote you,  
that you would come to know

That though I live in heaven now,  
I still love my mother so.

She talks with me, and dreams with me;  
we still share laughter too,

Memories our way of speaking now,  
would you see what you could do?

My mother carries me in her heart,  
her tears she hides from sight.

She writes poems to honor me,  
sometimes far into the night

She plants flowers in my garden,  
there my living memory dwells

She writes to other grieving parents,  
trying to ease their pain as well.

So you see Mr. Hallmark,  
though I no longer live on earth

I must find a way,  
to remind her of her wondrous worth

She needs to be honored,  
and remembered too

Just as the children of earth will do.

Thank you Mr. Hallmark,  
I know you'll do your best

I have done all I can do;  
to you I'll leave the rest.

Find a way to tell her,  
how much she means to me

Until I can do it for myself,  
when she joins me in eternity.

Thank you for signing my daughter Amanda Jane Franklin's virtual memorial. I read about your son and I am so sorry for your loss. Amanda had head injuries also from her accident. We are also Christian's and without my faith i would not be surviving this. God blessed me with 2 more children (twins) since my daughter was killed and we have started them with their walk with Christ. Your son is a very handsome young man I know you have wonderful memories with him and i also know that we will see our children again. Keep the Faith and know Dragan is with you standing next to you when you need him the most.

## God's Love

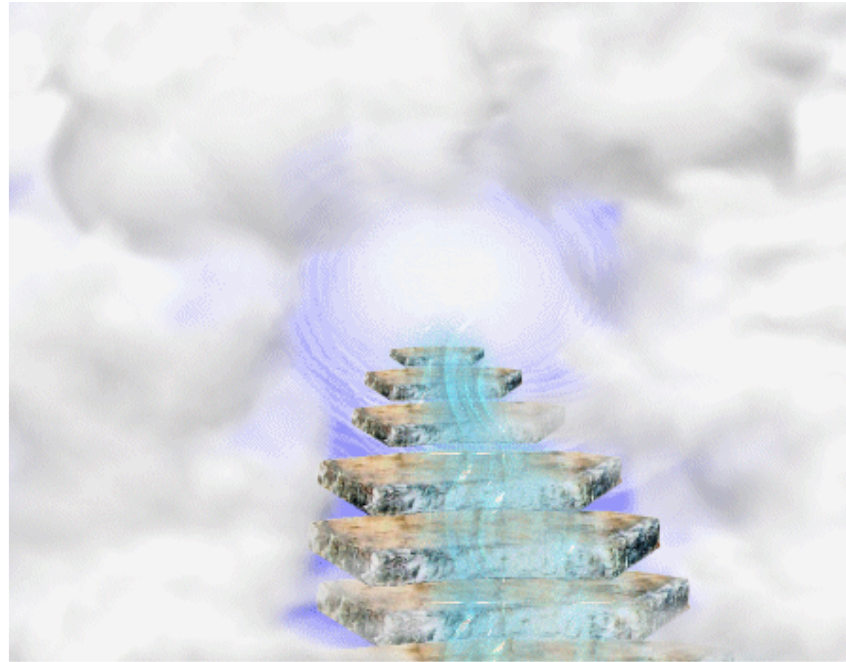

With each morning's sunrise,  
The message shines right through.  
He whispers softly in my ear  
Those sweet words, "I love you!"  
In the song of nature's singing,  
In the quiet summer breeze,  
With the crackling of the thunder,  
Through the baby's gentle sneeze,

Can be found His love and goodness;  
Through everything that is,  
He tells us that He loves us  
And that we are truly His.

In my heart and in my being,  
In every thought I think,  
The thing of which I'm certain is  
That He will not forsake.  
His love's in every part of life;  
His love is there to share.  
Grab handfuls and then toss them  
For it's up to us to share.  
God's love is ever growing,  
Sent daily from above.  
In everything I say or do,  
It's only through His love.

**I lost my child today**

**People came to weep and cry  
As I just sat and stared, dry eyed.  
They struggled to find words to say  
To try to take the pain away.  
I walked the floor in disbelief,  
I lost my child today.**

**I lost my child last month,  
Most of the people went away,  
Some still call and some still stay.  
I wait to wake up from this dream,  
"This can't be real!", I want to scream.  
Yet everything is locked inside,  
God help me, I just want to die.  
I lost my child last month.**

**I lost my child last year,  
Now people who have been, have gone,  
I sit and struggle all day long  
To bear the pain so deep inside,  
And now my friends just question "Why?  
"Why does this mother not move on?  
Just sits and sings the same old song.  
Good Heavens, it has been so long!"  
I lost my child last year**

**Time has not moved on for me,**

The numbness, it has disappeared.  
My eyes have cried so many tears,  
I see the look upon your face,  
"You must move on and leave this place".  
Yet I am trapped right here in time,  
The song's the same, as is the rhyme.  
I lost my child..... TODAY

## How We Survive

If we are fortunate,  
we are given a warning.

If not,  
there is only the sudden horror,  
the wrench of being torn apart;  
of being reminded  
that nothing is permanent,  
not even the ones we love,  
the ones our lives revolve around.

Life is a fragile affair.  
We are all dancing  
on the edge of a precipice,

a dizzying cliff so high  
we can't see the bottom.

One by one,  
we lose those we love most  
into the dark ravine.

So we must cherish them  
without reservation.

Now.

Today.

This minute.

We will lose them  
or they will lose us  
someday.

This is certain.

There is no time for bickering.

And their loss  
will leave a great pit in our hearts;  
a pit we struggle to avoid  
during the day  
and fall into at night.

Some,  
unable to accept this loss,  
unable to determine  
the worth of life without them,  
jump into that black pit  
spiritually or physically,  
hoping to find them there.

And some survive  
the shock,  
the denial,  
the horror,  
the bargaining,  
the barren, empty aching,  
the unanswered prayers,  
the sleepless nights  
when their breath is crushed  
under the weight of silence  
and all that it means.

Somehow, some survive all that and,  
like a flower opening after a storm,  
they slowly begin to remember  
the one they lost  
in a different way...

The laughter,  
the irrepressible spirit,  
the generous heart,  
the way their smile made them feel,  
the encouragement they gave  
even as their own dreams were dying.

And in time, they fill the pit  
with other memories  
the only memories that really matter.

We will still cry.  
We will always cry.

But with loving reflection  
more than hopeless longing.

And that is how we survive.  
That is how the story should end.  
That is how they would want it to be.

*My Angel, My Friend*

*March 7, 2011*

When I have no one to turn to  
And I am feeling kind of low,  
When there is no one to talk to  
And nowhere I want to go,  
I search deep within myself  
It is the love inside my heart  
That lets me know my Angels are there  
Even though we are miles apart.

A smile then appears upon my face  
And the sun begins to shine.  
I hear a voice, so soft and sweet  
Saying, 'Everything will be just fine'  
It may seem that I am alone  
But I am never by myself at all.  
Whenever I need my Angels near  
All I have to do is call.

An Angel's love is always true  
On that you can depend.  
They will always stand behind you  
And will always be your friend.  
Through darkest hours and brightest days  
Our Angel's see us through  
They smile when we are happy, and will cry when we are blue..

Thanks for being my Angel my friend  
I will be there for you until the end.

We can give each other hope, We'll create a place where we belong, Together we will find ways to cope, Because we are Angel Families and together we are strong!

Through our pain

We all now meet  
In this familiar place

Not ever knowing  
Each other before  
But through our children  
That we adore

We light their candles  
to ease the hurt  
Keeping them shining  
With words of comfort

Whether writing a tribute  
In the early a.m.  
Or something as short  
As "I'm thinking of them"

Being so thankful  
For the prayers that are said  
And feeling all the hugs  
through the words that are read.

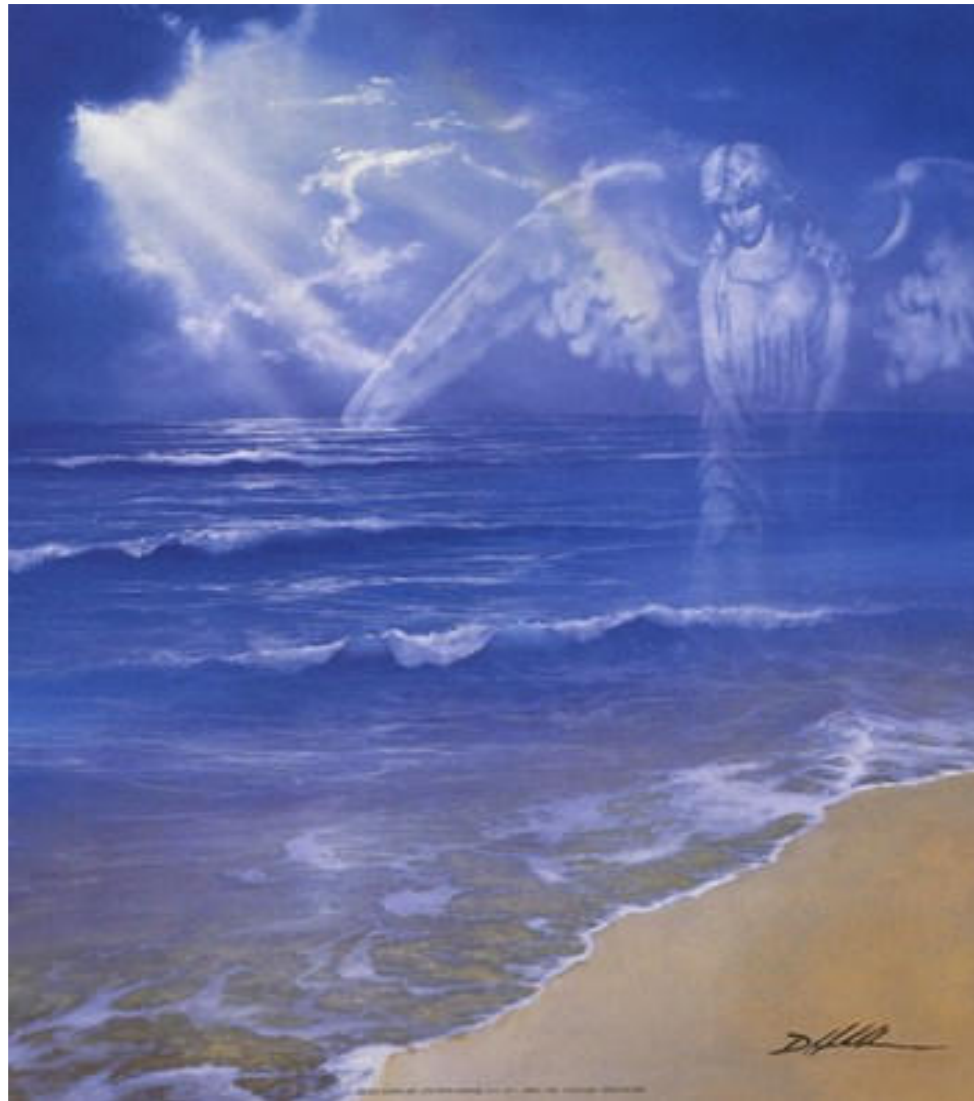

The love that we send  
And what it all means  
How important it's become

**FACES ARE FOREVER**

We wear two faces.

It doesn't matter how much time has past we wear two faces

How do we know when to change our face?

We have no idea. It happens without our even thinking about it.

Who knows when we change our face? Three of us do!

***God, my child and I know!*** What are these two faces?

***The first face is the one, with our pretend smile and laugh.***

It is the one that looks straight into the eyes of the stranger, friends or family and tells them, I am fine or I am doing great, "see how far I have come."

It is the one that asks the question, without speaking the words, do you have any idea of my pain? You know they will never understand, but you want them to so much. Do we frighten everyone away with our look of desperation and sadness? I am sure that we have.

When people see us, could it be that we feel even more separated from life when we notice them looking away? Do we scare them by our mere presence?

What is it that one can say to a bereaved parent?

The answer is NOTHING, absolutely nothing. Why do people always try to fix us?

All we need is someone to listen, without judging or trying to make us feel better. A smile would be nice. Nothing will change our hurt but time and then, just the intensity of it.

***The second face we wear lies deep within us, in our heart and soul.***

It is the one that we won't allow anyone to be near. It is Holy and Sacred ground. It is the place that we go to in our darkest moments.

It is the one that no one really ever sees except God and our child. It is the face that appears in the middle of the night when we are alone. It is the face that expresses the unbelievable emptiness and gut wrenching pain of our loss.

It is the one that breaks us down and reduces us to tears, when we think we just saw a glimpse or heard the familiar voice of our child. It could be in the marketplace, or while shopping, or at a restaurant, anywhere. It is the one that brings us to our knees and makes us ask over and over WHY GOD, WHY? Even Jesus asked His Father, "Why God" as He hung on the cross. We are in good company.

We must each walk this path in our own way and in our own time. No one has the right to tell us when to start or when to finish. Or to say to us, "get over it" My child was never an "IT." Only we will know when to begin and when we have completed our journey.

We can't ask someone to walk it for us, or we will never begin to heal from our deep painful wounds. I've been told that one day, beautiful and happy memories will replace the sad, ugly and lonely ones. Whether that is true, I don't know, but I am willing to find out. What I do know is, that I must walk the path to healing so my child will not see me die in the darkness and loneliness of my own despair.

God Bless You My Sweet Darko

**MERRY CHRISTMAS FROM MY FAMILY TO YOUR FAMILY.**

This is my poem that was published on the newsletter at the Annual Candle Lighting from The Compassionate Friends in my town.

Yesterday was a sad moment seeing my precious son Patrick's name and pictures on display among the children who were gone way too soon from us... Yesterday was also my Christmas moment in memory of my beautiful son Patrick Christian who has forever changed my life the day he left me empty, confused, and so alone to grieve!

## **I Know You'll Get By**

**My son speaks to me:**

**It's been two years and four months  
since I last said "goodbye"  
I've seen you pick up the pieces  
of your broken dreams and this makes me cry,  
I've seen you rise from the ashes..  
of an overwhelming sorrow  
The long, dark nights that spelled of no tomorrows  
and yet you bounced back with..  
A strength and spirit on fire  
amazing mom that you are! I think I know why..  
These are my answered prayers..  
For God to help you get by.**

**I know it's been tough and so hard  
on your part to live without your son,  
I see you weep brokenly each time  
that you miss and long for me  
In between the tears though..  
I hear you laugh, sing and skip to a tune,  
Every time you are touched by Someone..  
you sense but cannot see,  
I've never stopped asking God to be there  
with you always for me.**

**I've walked with you through that  
long, arduous journey called grief  
Dauntless, you have learned to live  
life without my presence..  
To revisit the loss in its very essence,  
to memorialize me in the pages**

Of your books, journals and poems,  
forging ahead, meeting head on  
The cruel, blinding wind and rain..  
that's My Mom all over again!

Look at you mom! you've pulled yourself through,  
shifting slowly between the shadows and the light!  
Like a fragile butterfly you have wiggled yourself  
out of the cocoon of darkness and gloom!  
To soar on beautiful wings towards..  
a world that awaits you in pure delight!  
From the depths of your grief  
You have been transformed into..  
A more loving, feeling, caring soul,  
that you so loved me yet dared to let go  
To share our story to the people you know'  
I am so blessed that I share with you  
The glory of that radiant glow!

Yes, grief teaches us precious lessons in life  
to live, to love, to lose and to survive  
You have been shaped richer, stronger, nobler by far  
and now you know yourself better..  
My brave, mom!

Yet, it doesn't go away, this grief..  
your eyes will well up with tears  
For me now and then,  
the longing will always be there  
That only the two of us can share.  
Remember always to make it your friend  
Embrace the pain, cherish the loss, without end!

Still you wonder how anything so bad  
can ever help to heal,  
But mom, that is the wonderful miracle of grief!  
can I measure this change, here let me try..  
My death, your loss has transformed you from  
a brokenhearted soul floating in ..  
A bottomless sea of despair..  
a soul that no longer wanted  
to get up in the morning,  
a soul that can find no  
reason in living,  
a soul that has suffered an

unbelievable loss..  
Into one glorious, triumphant being!  
Re-defined by grief that kept you going!

And I'm so happy for you, my mom  
You are special, you have become,  
You have risen from that devastating fall!  
God has lifted you and has seen you  
kindly through it all..  
He has faithfully answered my prayers for you,  
And all this time since I last said "goodbye"  
I've never doubted ever that He would,  
For with Him, my mom..  
I know you'll get by.

WE ARE THANKFUL FOR YOU

The world may never notice  
If a Snowdrop doesn't bloom,

Or even pause to wonder  
If the petals fall too soon.  
But every life that ever forms,  
Or ever comes to be,  
Touches the world in some small way  
For all eternity.  
The loved one we long for  
Was once here, and now gone.  
But the love that was then planted  
Is a light that still shines on.  
And though our arms are empty,  
Our hearts know what to do.  
Every beating of our hearts  
Says that we love you.

We want to always remember  
The beautiful life you lived  
And keep alive the memories we have  
Through remembering what you did  
For you're so special to all of us  
A wonderful person indeed  
Your love, laughter and warm smile

Reflected a heart that believed  
Just in the everyday things we do  
We remember your faith and love  
In the words you spoke to help us through  
Is a continued reminder for us  
Although we miss you so very much  
We know we'll see you once more  
For this is the hope we have in God  
Being re-united in the Lord  
And as we gather we'll continue to share  
Special times we went through  
For these are memories that warm our hearts  
As we honour the memory of you

**How we Survive**

**October 14, 2010**

**How We Survive**

**If we are fortunate,  
we are given a warning.**

**If not,  
there is only the sudden horror,  
the wrench of being torn apart;  
of being reminded  
that nothing is permanent,  
not even the ones we love,  
the ones our lives revolve around.**

**Life is a fragile affair.  
We are all dancing  
on the edge of a precipice,  
a dizzying cliff so high  
we can't see the bottom.**

**One by one,  
we lose those we love most  
into the dark ravine.**

**So we must cherish them  
without reservation.**

**Now.**

**Today.**

**This minute.**

**We will lose them  
or they will lose us  
someday.**

**This is certain.**

**There is no time for bickering.**

**And their loss  
will leave a great pit in our hearts;**

**a pit we struggle to avoid  
during the day  
and fall into at night.**

**Some,  
unable to accept this loss,  
unable to determine  
the worth of life without them,  
jump into that black pit  
spiritually or physically,  
hoping to find them there.**

**And some survive  
the shock,  
the denial,  
the horror,  
the bargaining,  
the barren, empty aching,  
the unanswered prayers,  
the sleepless nights  
when their breath is crushed  
under the weight of silence  
and all that it means.**

**Somehow, some survive all that and,  
like a flower opening after a storm,  
they slowly begin to remember  
the one they lost  
in a different way...**

**The laughter,**

the irrepressible spirit,  
the generous heart,  
the way their smile made them feel,  
the encouragement they gave  
even as their own dreams were dying.

And in time, they fill the pit  
with other memories  
the only memories that really matter.

We will still cry.  
We will always cry.  
But with loving reflection  
more than hopeless longing.

And that is how we survive.  
That is how the story should end.  
That is how they would want it to be.

How sweet to have such special friends  
When days are dark and dreary  
How nice to hear I'm praying for you  
And feel the warmth of God's love too.  
The encouraging words come from afar  
Life is so easy as we build a special bond  
When you are in the valley low  
Friends do pray their love will show.  
Our friends are like a thread of gold  
We care love and hold them dear  
God knew we would need each other

His command was "To love one another."  
We may never meet this side of heaven  
Tho' we feel each others hurt and pain  
We'll continue to pray for those we love  
Until someday we'll meet in heaven above.  
Thank you my friends for being so dear  
For showing love and your fervent prayer  
I talk to my God for you each day  
May you feel His warmth in every way.

## Heavenly Thoughts...

Times when we are burdened

when we feel so alone

Our spirit is just hurting

We need a place to roam.

Look up to the Heavens

within the clouds you'll see

The portrait of an angel

God's gift for you and me.

His gentle touch will reach you

He's there for you today

The beauty overwhelming

the mist of sweet bouquet.

An angel sent from Heaven

Who rides the clouds above

God's special little angel

perfection of his love.

Waiting for the moment

when you will call his name

clouds that now surround him

they all will disappear

He's there to give you comfort

to chase away the fears  
To let you know God's beauty  
His smile for you appears!

AND LOVELY ARE THE BLOSSOMS  
THAT ARE TENDED WITH GREAT CARE,

FRIENDSHIP'S FLOWER GROWS MORE SWEET,

Through our pain  
Each other, we embrace  
We all now meet  
In this familiar place

Not ever knowing  
Each other before  
But through our children  
That we adore

We light their candles  
to ease the hurt  
Keeping them shining  
With words of comfort

Whether writing a tribute  
In the early a.m.  
Or something as short  
As "I'm thinking of them"

Being so thankful  
For the prayers that are said  
And feeling all the hugs  
through the words that are read.

The love that we send  
And what it all means

# Angel of Light...

There's a guardian angel  
watching over you,  
an angel of light,  
sent from God to guide you  
in everything you do.  
Listen very carefully,  
and you'll hear its voice.  
Close your eyes and you'll feel  
a presence that  
will make your heart rejoice.  
Love flows from heaven  
through your guardian angel  
to make you feel warm  
even when you feel  
lost and beaten by the storm.  
You need never feel alone,  
because your guardian angel  
will be there for you always  
to lead you along the right path,  
and brighten your days.  
Your guardian angel will  
forever strive

to help you learn and grow,  
giving you the  
strength and inspiration  
you need in order  
to seek your very own rainbow.  
Your guardian angel  
makes sure that God hears  
your every prayer,  
your every request  
and that your good deeds  
are recorded in heaven  
to make you doubly blest.  
Your guardian angel  
is your best friend  
with plenty of heaven's  
love and light to lend.  
So the next time you pray,  
remember to give thanks  
for the angel of light  
who will be there for you  
all of your days.

## Heavens Music

*Angel sending melody*

From Heaven in the sky

Music that will fill the Heart

*Golden notes now fly*

Wind is sending harmony  
as breezes enter soft  
creating philharmonic sound  
on Angel's wings they waft

Calm and peace to fill the earth  
like gentle silent prayer  
music now will enter hearts  
like softest love you wear

close your eyes and hear him play  
the bounty of God's best  
traveling from way up high  
each one of us so blest

Hear the sound of love today  
so nestled in a breeze  
take the time to hear the music  
it puts your Heart at ease

music blends with nature's LOVE  
such Glory that will stay  
upon the souls of everyone

Love's concert of the day!

~BLESSINGS~

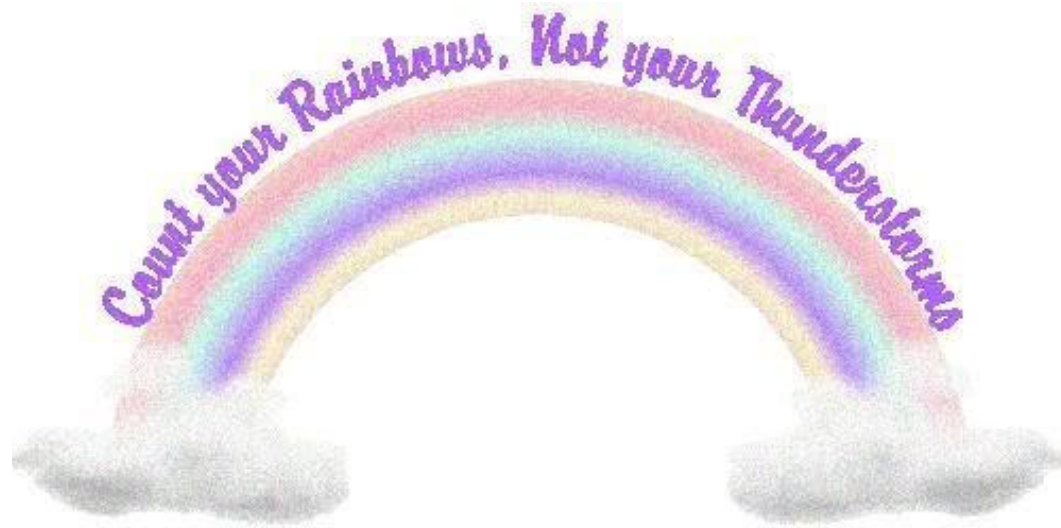

"BLESSINGS CAN BE A LOVING SMILE,  
OR EVEN A SOFT TENDER TOUCH,  
A KIND WORD SOFTLY SPOKEN  
THESE BLESSINGS MEAN SO MUCH.

BLESSINGS ARE A SPECIAL FRIEND,  
BEING THERE IN TIME OF NEED,  
LENDING A HAND AND ENCOURAGEMENT,  
BY DOING A LOVING DEED.

BLESSINGS ARE WHEN SOMONE CARES,  
WHEN OUR LIVES SEEM TO BE ADRIFT.  
BLESSINGS ARE HEARING A PRAYER,  
THAT GIVES OUR LIVES A LIFT.

BLESSINGS ARE KNOWING OUR GOD IS NEAR,  
OUR EVERY PRAYER HE WILL HEAR!  
GIVING US COMFORT, INSTEAD OF FEAR,  
TRUSTING HIM WITH ALL WE HOLD DEAR"

The memories we hold deep within our heart,  
can bring us joy, or tear us apart.  
They surface when we're lonely, they make us cry,  
As we sort through painful memories, of days gone by.  
They can cause such sadness and heartache too,  
We even wonder at times if we'll make it through.

The memories are our past, we never let them go,  
They are also our future to help us grow.  
Memories within the heart, always stay,  
But given time, the pain, will go away.

Give yourself the time, for when heartache is real  
You need to grieve before wounds can heal.  
Then you can look back, once in awhile,  
And memories will be there to remember with a smile.

They'll bring you comfort, there'll be no more pain,  
And your heart will be free....to love again.

*San*

*January 27, 2010*

**Netko je jednom napisao sljedeće: "Jedne noći neki čovjek usni san u kojem je vidio sebe kako korača plažom s Gospodinom. A po nebu su prolazili prizori iz njegova života. I primijeti uza svaki prizor tragove dvaju para stopala u pijesku: jedni pripadahu njemu, drugi Gospodinu. Kad mu se prikazao i posljednji prizor, okrene se i pogleda stope u pijesku. Puno puta uza stazu njegova života pojavljivao se samo jedan trag stopala. A bijaše to, opazio je, u najtežim i najtužnijim životnim trenucima.**

**Budući da ga je to uznemirilo, upita Gospodina:**

**"Gospodine, rekao si da ćeš uvijek hoditi sa mnom odlučim li jednom slijediti Te. A primjetio sam da se upravo uz najteže trenutke u mom životu pruža samo jedan trag stopala. I ne razumijem zašto bi me ti ostavio onda kad sam Te najviše trebao."**

**A odgovori Gospodin: "Sine moj, drago moje dijete, volim te i nikad te ne bih napustio. A ono doba,**

doba tvojih iskušenja i patnji, koje prati samo jedan trag stopala u pijesku, bijaše to onda kad sam te nosio u naručju."

Dragi moji, što reći ni sama ne znam. Samo znam koliko boli, ali moramo biti jaki i nositi ovaj teški križ jer su naši anđeli tužni ako se mi pustimo i padnemo po težinom naših križeva. Neki dan su prošle dvije godine od kada je moj Mile poginuo, boli isto kao i prvog dana ali moram živjeti. Samo nam dragi Bog može pomoći i nitko drugi. Kad sam vidjela ovu stranicu od Vašeg Dragana rekla sam Bože zašto baš svi posebni odlaze tako rano. Po slikama vidim da je i Dragan kao i moj Mile zračio posebnom vedrinom i radošću, valjda i Bog bere najljepše cvijeće za svoj Rajski vrt. Dragi moji tako mi je žao, ali budite jaki zbog svog anđela na nebu i zbog drugog sina. Veliki pozdrav od tužnih roditelja Blekić iz Gruda.

My deepest condolences. May these few words from the Holy Scriptures bring you comfort in your time of grief...

**John 11:32-45**

*32 And so Mary, when she arrived where Jesus was and caught sight of him, fell at his feet, saying to him: "Lord, if you had been here, my brother would not have died." 33 Jesus, therefore, when he saw her weeping and the Jews that came with her weeping, groaned in the spirit and became troubled; 34 and he said: "Where have YOU laid him?" They said to him: "Lord, come and see." 35 Jesus gave way to tears. 36 Therefore the Jews began to say: "See, what affection he used to have for him!" 37 But some of them said: "Was not this [man] that opened the eyes of the blind man able to prevent this one from dying?"*

*38 Hence Jesus, after groaning again within himself, came to the memorial tomb. It was, in fact, a cave, and a stone was lying against it. 39 Jesus said: "TAKE the stone away." Martha, the sister of the deceased, said to him: "Lord, by now he must smell, for it is four days." 40 Jesus said to her: "Did I not tell you that if you would believe you would see the glory of God?" 41 Therefore they took the stone away. Now Jesus raised his eyes heavenward and said: "Father, I thank you that you have heard me. 42 True, I knew that you always hear me; but on account of the crowd standing around I spoke, in order that they might believe that you sent me forth." 43 And when he had said these things, he cried out with a loud voice: "Laz'arus, come on out!" 44 The [man] that had been dead came out with his feet and hands bound with wrappings, and his countenance was bound about with a cloth. Jesus said to them: "Loose him and let him go."*

*45 Therefore many of the Jews that had come to Mary and that beheld what he did put faith in him;*

Draga Katarina, šta da ti kažem. Znam da i tebe jako boli, ali mislim da ništa nije teško kao gubitak djeteta i to iznenada. Moj Mile je otišao na praksu i nije mi se vratio. Možemo samo moliti Boga da nam da snagu nositi naše križeve. Po Draganovom godištu , znam da si jako mlada, ja imam još dvije cure, one su mi starije od mog Mile. Mogu ti samo reći da budeš jaka i da suosjećam s tobom. Pomisli samo da Dragan neće biti veseo u nebu, ako ti budeš uvijek tužna. Mene najviše drži to kad pomislim, ako sam ja tužna onda je tužan i moj Anđeo. Moramo biti jaki za naše drage ANĐELE.

## *Katarina*

Znaš dragi Bože tebi pišem ovo pismo, ovih par natipkanih riječi su večeras za tebe.....  
Znaš dragi moj nije pravedno i nikada neće biti....znam da mi možeš odgovoriti da bi mi rekao da ti je hitno gore u raju bio potreban jedan prelijepi Anđeo....ali ovdje , na zemlji je isto bio i ostao potreban....  
taj lijepi Anđeo, to božansko stvorenje...Bože znaš li samo kako je živjeti bez njega???  
Znaš li kako je htjeti mu čuti glas a ne možeš, htjeti ga vidjeti, zagrliti, poljubiti a ne možeš....  
Šta god da poželiš....ne može.....Boli....dragi Bože to jako boli....  
Znam da bi mi sada rekao da možeš da sve ima svoje razloge i znam ja to....ali.....  
I sam znaš da je nama ljudima teško te razloge razumijeti jer nam ta osoba toliko proketo fali i nedostaje da bi samo da je vidimo i život za nju dali....Bože ja bi dala sve samo da ga još jednom vidim.....  
Ako bi ja rekla da razumijem tvoje razloge da si ga uzeo sebi bi li i ti moje razumio da mi fali....  
Znaš dragi Bože ponekad i to često sam ljubomorna na tebe...ljubomorna jer tvoj Rajski vrt krase Anđeli koji meni ovdje nedostaju i koje volim više od života....oni su kod tebe a ja moram čekati dan kada će mo se opet vidjeti i biti zajedno.....

Znaš ponekad sam i tužna i ljuta i sretna....tužna jer nije tu....ljuta jer je istrgnut iz cvijeta mladosti  
a sretna jer znam da je uz tebe i jer znam da ga Ti dragi Bože čuvaš.....  
Znaš dragi Bože...osjećam se prazno od kada njega nema....moj život nije više išaran onim lijepim bojama  
...sve je samo sivo...kako voljeti nekoga drugog kad volim samo njega....kako poželjeti nekog drugog  
kad želim samo njega.....kako živjeti dalje u ovom sivilu kad su sve lijepe boje otišle s njim.....  
Ah dragi Bože ja znam da Ti sve znaš i da Ti Svemogući na sve imaš odgovore i objašnjenja....  
Ja sam sretna jer si mi dao priliku u životu da upoznam Anđela tvog osobnog....  
da upoznam i spoznam pravu ljubav da je osjetim i nikada ne zaboravim....Sretna sam jer si mi dao priliku  
upoznati osobu koja je u sebi imala toliko dobrote i ljepote da to nije moguće opisati....da si mi poslao u  
život posebne ljude koje volim i za koje te molim da ih jako jako čuvaš....molim te.....  
I opet kažem da znam da ti sve znaš i čuješ i vidiš....Ti koji si toliko boli podnio za nas....  
Ali ja mali čovjek pokušavam naći odgovore na pitanja koja me muče svaki dan....i ja znam  
da ti imaš razumijevanja za to....ali i znam da ću sve odgovore jednoga dana dobiti.....  
Molim te Bože da mi čuvaš moje najmilije koji krase sada tvoj Rajski vrt.....  
Reci im da ih volim i da mi jako nedostaju.....  
I molim te Bože reci mom jedinom da ću ga vječno i cijelim srcem voljeti više nego život svoj.....  
Reci mu da mi nedostaje i da mi iz dana u dan sve više fali i da ga čuvam u srcu.....zauvijek....  
I znaš Bože u trenucima kada mi je najteže uvijek se sjetim priče "Otisci stopala" gdje Ti na kraju kažeš:  
"U pjesku su samo otisci mojih stopala jer sam te nosio kada ti je bilo najteže" i za to ti hvala Bože  
jer ovu snagu za daljnji život bez NJEGA mi samo TI Bože možeš dati....  
ne samo meni nego i njegovim najmilijim i zato ti od srca zahvaljujem dragi Bože.....  
  
Okano Volim Te.....nedostaješ sunce moje maleno.....

***Katarina***

Okano....

svaki dan sam tu ali pobogu prsti su toliko teški da nešto napišem...

Jer što više vremena prolazi, ja manje mogu da prihvatim tu bolnu činjenicu da te nema tu.....

Tvoj rođendan....Ovo je prvi put da nisam mogla ništa napisati...

Ali ne jer sam ga zaboravila...ne....nisam mogla jer sam ga slavila s Tobom...

Samo ti i ja....

E sunce moje koliko ti meni nedostaješ....svakim danom sve više....nema tih riječi koje će ikada u ovome životu moći opisati koliko te volim....

Volim te manjeviše nego juče ali manje nego sutra....te riječi posvećene su Tebi dušo moja....

Čuvam te duboko u svome srcu ali nikada dovoljno duboko da te se ne sjetim svaki da...

Tu si samnom kad se probudim i kad idem spavati...Ti si tu....

Ne bojim se ničega u životu jer znam kud god krenem Ti ćeš me tamo čekati....

I sa osmijehom se radujem danu kada će mo opet biti zajedno.....

Volim te i voljet ću te vječno....

Znam da te riječi smiješno zvuče ali samo Bog dragi zna šta si Ti meni bio i ostao....

"Kreni dalje" su često riječi koje čujem ali nitko ne shvata da je bez tebe život stao.....Još uvijek ti se nadam i još uvijek te tražim svugdje i svukuda.....I još uvijek se nadam probuditi iz ovog dugog i nimalo

lijepog sna....

Ljube....čuvaj jedno mjesto za mene na svome oblaku.....i molim te čuvaj svoje najmilije...

Volim te

Zauvijek tvoja Katarina

Treća godina je prošla, a u mojoj glavi i danas **September 11, 2009**, godišnjica tragedije u Njujorku i tko zna po koji puta ponovo slušam naš posljednji telefonski razgovor. Ni u snu nisam pomislio da bi to mogao biti i naš posljedni razgovor na ovome svijetu! Nakon dolaska kući toga teškoga popodneva ispunjenog južinom u zraku i zavijanjem južnoga vjetrova trebalo je mamu Ines odvesti u "Astoriju" na njeno druženje sa prijateljicama. Nazvao sam Dragana i pitao ga da li je u gradu te može li on mamu odvesti da se ja ponovo ne oblačim.

Draganov odgovor je bio:

**"Ok tu sam, može, samo neka bude točno u 20 h i 05 min. ispred zgrade".**

Rano ujutro slijedećega dana teška noć i bolna vijest koja je rastrgala našu dušu i promijenila živote zauvijek !

Imati ,voljeti pa se onda na ovakav način rastati to je najveća bol ljudskoga srca. Ta bol je cijena kojom plaćamo za ljubav.

Na najgori mogući način smo spoznali osjećaj koji vlada u nama ,da kada samo jedna osoba nedostaje na zemlji izgleda kao da je cijeli svijet prazan. To je dovelo da počnemo o životu razmišljati na sasvim drugi

način.

Bog nije obećao uvijek plavo nebo, cvijećem posute puteve, kroz čitavi naš život. Bog nije obećao sunce bez kiše, radosti bez tuge, mir bez boli. Ali Bog je obećao snagu za dane, odmor poslije rada, svjetlo za puta. Milost u suđenju, pomoć odozgo, vjernu simpatiju, besmrtnu ljubav. Bog djeluje na tajanstvene načine, načine koji nas upućuju da se pitamo: "Zašto?" Zašto GA je morao uzeti u tako ranoj dobi? **Ja mislim da je ON bio anđeo poslan ovdje samo da za kratko dotakne srca mnogih.**

ali ga ipak nekako živim. "Još uvijek sanjam da samo zajedno ko nekad davno ti i ja al jutro svaki put mi pokvari tu slatku prevaru iz sna..."...da okano još uvijek zamišljam da si tu, na svaki zvug mobitela ponadam se i poželim da si ti, svaki put kad idem u Čapljinu zamišljam da ćeš me ti dočekati da ću te vidjeti, zagrliti.....Ali tvoj osmijeh, tvoj glas ne čujem...tvoj zagrljaj ne osjetim....Tvoje slike su svuda oko mene i vidim te u svakom leptiru što leti, u svakoj toploj zraki sunca u svakoj zvijezdi što noći sjaji na

nebu, osjetim tvoje ruke u vjetru i imam osjećaj kao da me grliš....a ti mene Okano možeš vidjeti u svakoj kapi kiše.....Nedostaješ mi Okano neopisivo, za to stvarno ne postoje riječi i ne želim da postoje jer kada bi mogla opisati koliko mi nedostaješ onda to ne bi bila ona čista i istinska ljubav. Toliko sam ti toga još htjela reći i toliko toga s tobom doživjeti ali.....Okrećem svoj život svaki dan na novo i pitam se ZAŠTO????

Volim te zauvijek Okano tvoja  
Katarina

Prvi zvuk koji svako ljudsko biće čuje su otkucaji dva srca.  
U vodenoj utrobi naše majke, mi doživljavamo osjećaj sigurnosti  
i pripadnosti, jer čujemo vlastiti otkucaj srca zajedno sa majčinim,  
koja nas nosi devet mjeseci.  
Kada izađemo kroz čudo rođenja da hodimo ovom zemljom ,  
drugi otkucaj srca nestaje.  
Ljudska bića znaju u svojoj dubini da nešto nedostaje i  
mnogo vremena prođe za života u potrazi za nestalim srcem.

S vremenom osjećam da sam osoba sa dva lica.Prvo lice je ono koje svako vidi.Ali drugo lice je nešto što samo vidi naš Stvoritelj i poznaju oni roditelji koji su izgubili svoje dijete!  
Želim naći riječi, da sebi mogu reći da se osjećam bolje i da će jednog dana biti mir u mom životu, ali još ništa nisam pronašao osim kratkotrajnih predaha.Unuka Leona je jedan predah.Ostala je i vjera koja daje nadu.Ali znam, sa Božjom pomoći proći ću kroz svaki dan i bit ćemo skupa ponovo...jednog dana."Vrijeme" je učinilo da plačemo manje, ali plač nikada nije prestao.Spomen njegovog imena, njegove

slike, ili samo puke misli na njega donesu suze. Smrt nas je zarobila u naše "vrijeme" s našim djetetom.

Odlazimo Draganu stalno. Kako god bilo, stvarnost nas uputi na groblje (a mene najviše na ovu stranicu) da ga vidimo, da se sretnemo. Ali kada vidim ime NAŠEG DIJETETA urezano na nadgrobni spomenik osjetim probadanje u želucu „knedlu“ u grlu, veliku prazninu...to je nemoguće opisati. O Bože naš dragi, pa njegovo ime treba biti na diplomi, svadbenom pozivu, najavi rođenja, posjetnici – svugdje, ALI NE JOŠ na nadgrobnom spomeniku !

Kada je Dragan pokopan, mi ne samo da smo pokopali njega, nego i život kakav znamo i koji smo živili svakodnevno. Kada je on umro mi smo isto tako pokopali Njegovu zemaljsku budućnost dostupnu našem shvatanju : ženu, djecu, njegov dan vijenčanja i našu buduću unučad. Snovi, nade, radosti, srca i duše su umrli zajedno s njim. Odsutnost našega djeteta se osjeća uvijek i posvuda.

I danas je palo dosta snijega, ponovo sniježi ,a priroda je obukla hladno bijelo ruho.Tvoja Ela ne može da se snađe u ovako visokom snijegu nego hoda ugaženim putem.Znam koliko si volio snijeg ,jer bi tada u tebi uzavrelo ono nešto dječije,spremnost na snježne radosti.Gledam ovu sliku i čini mi se da vrijeme stoji,ali prošle su tri godine od nastanka ove slike!O Bože koliko mi nedostaje moje djele.

December 22, 2008 ... December 22, 2011

Prije tri godine na današnji dan naš Dragan je zaključio jedno poglavlje života postavši diplomirani inženjer elektrotehnike. Diplomirao je u roku na fakultetu elektrotehnike, strojarstva i brodogradnje u Splitu. Tim činom je nas roditelje, cijelu obitelj kao i prijatelje učinio ponosnim i sretnim, jer je svojim radom okrunio svoje napore da se na pozitivan način uključi u utakmicu zvanu život. Danas, prisjećajući se toga datuma, moje oči su pune tihih suza, nijemoga glasa, pitajući se: zašto? Zašto je jedan mladi život zaustavljen u svome koraku, snu, nadi.... otrgnut naživo od bića od kojih je postao, a koje je ostavio na zemlji krvariti do kraja života. On je u meni, on je posvuda i kada su mi oči otvorene ili zatvorene svejedno, ali opet mi beskonačno nedostaje. Ja znam da za života neću dobiti odgovor, kao ni mnogi drugi roditelji koji izgube svoju djecu. Ne mogu se lako pomiriti sa činjenicom da je postojanje mog djeteta danas postalo samo uspomena - bolna i uokvirena slika. Moj razum kaže da je naše dijete otišlo, da više ne postoji u onome obliku kao što je bilo, ali moja roditeljska duša to ne prihvata i neće nikada.... O moj Bože kako sada

prebroditi ove nastupajuće praznike počevši obiteljskim slavljem tvoga rođendana-Božića „Nove godine, kada moje roditeljsko srce čezne, jer zna da među nama netko nedostaje....

### *tata*

Koliko god smo sretni što smo te imali, bol i tuga tamni našu sreću, jer prema našem roditeljskom, ljudskom i zemaljskom shvaćanju "otići" prije roditelja nije prirodni poredak stvari i ovakvi blagdani su nam postali svakodnevnica. Nama ljudima, dokle god smo na ovoj Zemlji uz sve molitve i suze nije dozvoljeno spoznati kako se ljudska, a napose roditeljska bol i tuga uklapa u Božju harmoniju postojanja svega. Jedino vjera da ćemo ponovo biti zajedno tješi našu dušu i daje nam nadu....

### *Katarina*

Okano moje, evo prolaze dani za danima tuga i bol su još uvijek iste, promijenilo se ništa nije niti će ikada...Danas je dan kada se sjećamo svojih najmilijih koji su prerano otišli od nas, ali meni takvi dani ne trebaju jer te se ja svaki dan sjetim, svaku minutu, svaku sekundu i ti si uvijek tu uz mene. Htjedoh ja danas doći kod tebe ali me neka prehlada uhvatila, nemoj mi se ljutiti molim te. Htjela sam doći, zapaliti svijeću i biti ti što bliže...ali svatih da te ja u srcu nosim....Tu u srcu mome, samo tu će mo zauvijek biti zajedno i niko i ništa me od tebe neće rastaviti.....Svaki dan sam ovdje na tvojoj stranici i nekada mi fale riječi da bilo šta napišem a nekada se pravim kao da nije ovo napravljeno za tebe i opet mi fale riječi jer sebi kažem : ne mogu ništa napisati jer je on tu, on nije otišao, ovo je neko drugi :( ....Da mogu vjeruj mi zauvijek bi se preselila tebi ali moje vrijeme još nije došlo a jedino me tješi jer znam da ćeš me ti tamo čekati. Na nekom boljem mjestu, nekom ljepšem svijetu gdje tuga i bol ne postoje. Ti si bio moje sve i uvijek ćeš i ostati. Ti si moj vjetar koji me mazi, moje sunce koje me grije, moje jedino i moj život....Znaš

Okano ljubav ne odlazi, ona je uvijek tu. ja sam je zaključala duboko u svoje srce da stanuje tu u meni sa tobom i svim lijepim osjećajima i sjećanjima, tako da ti je mogu dati kada se jednoga dana opet sretnemo. Mogla bih kao i uvijek svaki dan ovdje napisati koliko mi nedostaješ i koliko mi fališ ali Okano ni to ne pomaže, ni riječi više ne pomažu jer tuga i bol su naizmjerni za tobom. I često sam ljuta jer mislim da je nepravедno da je Bog tebe sebi uzeo, ali opet nekako sebi kažem i sebe uvjerim da je Bog imao drugi plan sa tobom i da si njemu potreban kao najljepši Anđeo koji mu nebo krase. Ali opet se ljutim i pitam se šta je sa nama koji su ovdje ostali, koji te neizmјerno vole i koje si napustio. Sa nama koji bi život dali da te mogu vidjeti bar na minut, zagrliti i poljubiti te, čuti tvoj osmijeh i pogledati u najljepše oke ovoga svijeta!?! Šta je sa nama??? Neću da griješim dušu i ljutim Boga ali ja sam čovjek i teško mi je shvatiti to sve ma koliko se ja svaki dan trudila. I tako kad se naljutim uvjeravam samu sebe da je tako moralo biti, da je to kao što rekoh Božoj plan i da on zna zašto. A da će mo i mi svi kojima do bola nedostaješ jednoga dana dobiti odgovor na to pitanje. Znam isto tako da smo mi tu ostali da bi mogli cijelome svijetu ispričati i govoriti koliko dobrote i ljubavi je bilo u jednom čovjeku, koliko sreće si donio u naše živote i koliko nas je tvoj pogled i osmijeh činio sretnima ma koliko se baš u tome trenutku loše osjećali. Mi smo tu da ti vječno u nama živiš i da te slavimo svakim danom.... Koliko se god ja ljutila što te nema ili smatrala to nepravедnim opet sam sretna jer si bio(i ostao) dio mog života, moja jedina ljubav, da sam imala čast i da sam smjela upoznati te, zavoljeti te i provesti najljepše trenutke svoga života sa tobom, upoznati tvoju predivnu obitelj i zavoljeti ih kao da su moji. Da, osjećam se kao da me je Bog nagradio što tebe imam u životu i što sam sa tobom dobila i na neki način novu obitelj...Ah VOLIM TE Okano moje, ja ti to riječima ne mogu opisati. Volim te i zauvijek ću te voljeti, tvoje mjesto u mom srce niko na ovome svijetu neće moći uzeti jer ti si bio i ostao moje sve...Mirno spavaj mol lijepi Anđele, neka te Bog dragi čuva, budi mi gore sa drugim Anđelima lijep i nasmijan kao što si uvijek bio i nemoj ih puno zezati ;) Čuvaj molim te svoju obitelj i svoje najmilije. Budi uvijek uz njih kao što i jesi i daj im molim te snage u njihovim najtežim trenucima. Ja ću te se uvijek sjećati ne samo danas i svijeća koju sam upalila u svoje srce od dana kada si otišao gorit će vječno. A ja te još jednom molim da se ne ljutiš jer te danas nisam mogla posjetiti ali obećajem da dolazim sljedećih dana. Volim te, zauvijek tvoja Katarina

Djeca, ma koliko ih bilo i ma kojega uzrasta bila, za roditelje ostaju uvijek djeca. Djete, znači voliti, znači ljubav.

"Jedini način na koji bi bili zaštićeni od boli i tuge koju osjećamo zbog gubitka , jeste kada ne bi smo nikada imali voljene.Kako bi to isprazan naš život bio i koliko bi prekrasnih trenutaka bilo propušteno, a koje smo zajedno s njima podijelili, ne bi smo nikada spoznali.

Pa , iako je strašno to što u ovome momentu osjećamo, moramo pokušati prihvatiti da je to zato što smo bili privilegirani imati i voljeti, a sada osjećamo bol i tugu.Naša bol i tuga koju sada osjećamo je srazmjerna nekadašnjoj ljubavi i sreći."

Okano moje.....  
Dani prolaze.....sjećanja nikada neće izblijediti....Sjećanja na tebe, na nas...Tvoj dragi lik, tvoj osmijeh, tvoj glas, zagrljaj sve je tu gdje mu je i mjesto i gdje će vječno ostati...u mome srcu....  
Jedan stih kaže " Godine ne brojim, voljet ću te dok postojim"... Nema riječi koje mogu opisati bol i prazninu koja je ostala za tobom....Ja jedno mjesto uvijek čuvam za tebe jer iako na pogled prazno ja znam da si ti tu, baš na tom mjestu koje čuvam za tebe....  
Dani prolaze a ja ih ne brojim..ne želim i ne mogu jer za mene nisi otišao nego si se samo sakrio iza bjelog oblaka i smješkaš se...Još uvijek imam onu istu želju i sanjam isti san da mogu vratiti samo jedan tren

unatrag...iako znam da neću nikada uspjeti ja odustati neću od sanjanja....Ti si bio i ostao moje sve, moje ono najljepše što mi se ikada u životu dogodilo....Ti moja ljubav, moja sreća moje jedino....  
Svaki dan sam ovdje, ali vjeruj mi da mi riječi fale jer još uvijek je sve kao san, ružan san iz kojeg niko ne želi da me probudi....

Ja znam da će mo se opet sresti u nekom boljem svijetu i na nekom boljem mjestu a do tada molim te čuvaj jedno mjesto za mene na svome oblaku, ti moja najsjajnija zvijezdo na nebu...

Volim Te zauvijek tvoja

Često noću kada legnem ti se javiš kao sjena  
dolaziš i odlaziš kao val, kao pjena  
i tuga dođe kao tuga pa mi šapne da je duga  
ma neka je tu kraj mene što bi ona bez mene....

Evo tiho u samoći palim svjeću najveću  
pjevam pjesmu onu tvoju, ti znaš koju....

Ne ovo nije moj svijet, i ja se spremam na zadnji let....  
da s Anđelima tebe ljubim, da te nikad više ne izgubim  
ne ovo nije moj svijet.....

ne ovo nije moj svijet.....

Često sanjam procvale ciklame, ti bereš jednu za me  
na pahulji bjeloj sjediš, čekaš me, po nebu jezdiš  
i tuga dođe kao tuga pa mi šapne da je duga  
ma neka je tu kraj mene šta bi ona bez mene...

Ne ovo nije moj svjet.....

Volim Te Okano, fališ mi  
Zauvijek tvoja Katarina

Na hladnoj ploči mramora  
imena vaša su ljepo su pisana  
od onih što s tugom za vama ostaju  
tu tugu suzama svojim ispiraju.

U dvoru našeg gospoda  
duša će vaša da počiva  
ispraćena suzama najdražih  
ka vrtovima cvjetnim nebeskim.

U svojim srcima vas nosimo  
ponizno u redu dok čekamo  
da jednom u cvjetom raju tamo  
zajedno Gospodu slavu damo.

Odlazite kao cvjetne latice  
sa ove zadnje životne stanice  
u vrtovima nebeskim ćete cvjetati  
jer tako reče naš otac nebeski.

NEBESKE KOČIJE Ni Bog ne prašta sve i prstom kazuje ko dalje ne može i koga odnose nebeske kočije. Ja molim za tebe sa neba anđele da ne dolaze, da zaustave nebeske kočije Ako treba ja ću poći mjesto tebe ove noći da te spasim, da te sačuvam i do Boga, i do neba i jos više ako treba samo da te meni ostave nebeske kočije.....

Nedostaješ.....

## ***Katarina***

Bio si mi sve, bio si kraj mene, ostale su samo bolne uspomene. Noći bez tebe sve su hladnije i duže, imam samo suze otkad nebo mi te uze. Da više ne postojiš ne mogu da shvatim, hoću da te vidim, želim da te vratim. U ruci tvoja slika, a oči pune suza, evo šaljem ti na nebo tisuću ruža... Zauvijek je moje malo sklopilo oči, moje malo meni više neće doći, jauk u meni nikad neće proći i nebo je sa mnom plakalo te noći. Suza iz oka na tvoju sliku pada, moje malo anđeo je sada... Neznam da li ću ovo ikada preboljeti ali jedno znam da uvijek ću te voljeti. Sada skrivaš pogled sa one druge strane, vidimo se anđele moj kad i moje srce stane...

## ***Katarina***

Jedino moje.... toliko bih ti toga mogla reći....ali sjedim ovdje u tišini moje sobe, samo se vjetar jaki čuje vani što se lomi od drveće....čak i čujem suzu koja klizi niz moje obraze....sjedim nešto napišem pa opet izbrišem.....jer ne želim da ti na ovaj način kažem šta imam za reći...ne želim.....Želim ti pogledati u oči, držati te za ruku, nasloniti glavu na tvoje rame i pričati sa tobom...ili te barem nazvati....ali ne mogu....želim čuti tvoj glas, tvoj osmijeh, želim da mi kažeš da će biti sve u redu....ali ne mogu.....želim opet šetati gradom držeći te za ruku dok se ti meni rugaš da smo kao neki penzioneri :- ) želim da se vozam s tobom po gradu dok mi se ti hvališ da si samo za mene snimio moje najdraže pjesme :- ) želim da me nazoveš dok me čekaš i da mi kažeš koliko mi tačno koraka do auta treba i kad primjetiš da me nema da skontamo da se na krivom mjestu čekamo :-

) želim da šaljemo poruke jedno drugom i da se prepiremo u šali ko koga više voli....ali ne mogu....jer mi tebe nema jedino moje...Upravo slušam jednu od onih pjesama koje sam ti posvetila ono ljeto ....ono najljepše ljeto u mom životu.....sjećaš se kad sam ti dio te pjesme pjevala ujutro u 10 na telefonu :-) a taj dio kaže " zaspala bih sada ja na tvojim rukama, budila se ne bi nikada, neka vrijeme samo broji svoje godine, meni je već dosta čekanja" .....eh da mi je zaspati sada na tvojim rukama.....Bože moj kako mi samo nedostaješ Okano....Kada bih samo mogla vratiti vrijeme unazad, da barem mogu vratiti onu večer da umjesto tebe ja sjednem u auto i da poklonim svoj život za tvoj....da sam barem mogla učinila bih to bez ijedne skundice razmišljanja samo da mi ti budeš dobro....ali nažalost Okano to nije bilo u mojim rukama da bogdo jeste ali nije....Bog je imao svoj plan i samo On zna zašto je tebe sebi uzeo...Svakim danom je sve teže živjeti bez tebe ali se pred drugima dobro pretvaram da sam ok jer svoju bol čuvam u sebi, bol za koju znam da će tek onda prestati kada te ponovo sretnem i kada opet budemo zajedno.Kada opet ugledam tvoje lice i tvoj osmijeh tek tada će moje srce biti na mjestu s tobom, gdje samo i želim biti.....Dani prolaze, vremena se mjenjaju, puno toga novog se događa, samo je bol još uvijek ona ista, ona tupa, snažna bol duboko u mom srcu i mojoj duši. Od kad te nema ne brojim dane, ne znam ni koji su datumi, rođendane ne slavim jer na njima nisi ti, svi dani su isti bio to Božić, Uskrs, Nova Godina.....sve su to dani kao i ostali puni tuge, bola, nadanja, nevjerice.....Uhvatim često sebe kako se sama zavaravam da si još tu i da je sve ok samo da bi dane mogla nekako da preživim....I dobro mi je poznata ona priča da se mora dalje, svi to kažu ali niko da mi kaže kako i na koji način...smiješno zar ne Okano....Svi Okano moje govore da je vrijeme da se saberem, krenem dalje, da ćeš ti uvijek biti uz mene, da moram dalje, da nesmijem ovo da moram ono....a niko da me upita kako sam...ja im se tada i nasmijem ako to žele i onda samo pomislim ma pričajte vi dalje, recite šta imate reć, ali samo me pustite na miru sa mojom tugom i mojom boli..i osim toga ne moram ja ništa...jer samo ja znam koliko mi treba da odbolujem ili prebolim....samo ja znam da te prebolit neću NIKADA i da ćeš u mom srcu i mom životu biti samo TI i da ću te vječno voljeti svakim danom više. Jer jednom je neko rekao " samo JEDNOM se voli, svi drugi su sljedeći" ..... Volim Te Okano i nedostaješ jedino moje.....

## *Katarina*

Ako ti jave: umro sam, ti znaš - ja to ne umijem. Ljubav je jedini zrak koji sam udisao. I osmijeh jedini jezik koji na svijetu razumijem. Na ovu zemlju sam svratio da ti namignem malo. Da za mnom ostane nešto kao lepršav trag. Noću kad gledaš u nebo, i ti namigni meni. To neka bude tajna....

12.09.2009 - 12.09.2010 Godina dana od tvoga preranog odlaska a ja te još uvijek kao i svakog dana očekujem i čekam i znam da će tako biti sve dok sam na ovome svijetu. U ovoj godini se puno toga desilo a prošla je tako brzo, kao minut..... Još uvijek je velika neopisiva praznina u meni a srce mi je puno. Puno ljubavi prema tebi. Još uvijek te volim kao prvog dana kada sam osijetila da si sve moje i da mi značiš sve na ovome svijetu. I ako u ništa više nisam sigurna u jedno jesam da ću ovu ljubav koja ispunja moje ranjeno srce čuvati za tebe jer znam da će mo se opet sresti. Prva cijela godina bez tebe, 365 dana nevjerice, tuge, boli, sjećanja.....Eh da si barem tu Okano....tu sa nama na ovome svijetu sve bi bilo drugačije....ljepše...radosnije....sve bi bilo puno boja a ne ovako sivo i tmurno, sunce bi grijalo, osmijeh na licu bi bio puno iskreniji ....ali nažalost ti si

morao ići.....Bog te trebao u svome raju i ja znam da si ti sada tamo. I ako je tvoj zemaljski život prekinut ti nisi otišao jer ti si tu sa nama. I ako je naša zemaljska ljubav prekinuta mi će mo uvijek biti vezani

vječnom, istinskom ljubavi i našu povezanost ništa raskinuti neće moći. Puno puta se zapitam ono uvijek isto ne odgovoreno pitanje...Zašto.....ali sam odličila ne pitati se više to nego jednostavno čekati na dan kada će mo opet biti zajedno i kada ću na sva pitanja dobiti odgovor. I ako nije lako sprovesti tu zamisao ja ću se potruditi samo za tebe, za nas.... Svaki dan se sjetim svih onih divnih, smiješnih a samo jednog tužnog momenta s tobom i tada zatvorim oči i osjetim te kao da sjediš pored mene i tada osjetim blagi smiješak na mome licu..... Nije lako Okano....Nije lako ići dalje sam....Nije lako željeti tvoj zagrljaj a znati da ga neću dobiti, nije lako koračati kroz život bez tebe na mojoj strani. Nije lako prihvatiti istinu da će svi oni snovi koje smo zajedno krojili ostati neostvareni.....A sve bi dala za to da smo barem neki san od onih silnih mogli ostvariti, sve bi dala za to Okano..... I ako je život okrutan i uzeo te na jako bolan način drago mi je da sam spoznala da postoji ljubav i da sam toliko blagoslovljena od Boga da mi je dao tu čast da upoznam svog Anđela.... Život mora ići dalje....jedna od rečenica na koju se ježim....Znam ja da život ide dalje, nažalost, iako bi voljela da stane. Znam ja da sve ide dalje iako te nema..Život tvojih roditelja, tvoga brata, tvojih prijatelja, obitelji, moj život sve to ide dalje ali mi nikada više, NIKADA nećemo biti kao što smo bili kada si ti bio tu sa nama i nadam se da tu rečenicu više nikada neću čuti jer me ljuti. Jer od tvog odlaska mi smo postali totalno drugi ljudi a nekada mi se čini da to malo ljudi razumije ili ne želi da razumije.Sve će se desiti u svoje vrijeme da uđem u neki novi "normalitet" ali isto tako želim da me ostave na miru sa mojom boli za tobom ako treba i cijeli život.... Ah moje Okano sve bi dala da si tu.....ali me tješi jer znam da ću te opet večeras kao i svake noći sresti u snovima, tješi me da u mojim mislima razgovaram s tobom, tješi me da te u srcu osjetim... Hvala ti za svaki sekund sreće koju sam osjetila s tobom, hvala za svaki osmijeh i hvala jednostavno što postojiš u mome životu jer kroz tebe sam upoznala na ne dugo vrijeme neki novi ljepši, topliji život. Ja ću uvijek živjeti za tebe i pustila sam te da odeš iz mog života jer je Bog tako htio ali te nikada iz moga srca pustiti neću jer samo je tebi tamo mjesto. Volim te zauvijek

Tišina je ove noći glasnija nego ikad ulicama grada lutam sama slušam ništa, pa na sekund čujem šapat čujem vjetar kako priča o nama.... Počela je kiša.... Misli prolaze kroz glavu 'ko vozovi vrijeme prolazi samo ostaju zagrljaji i poljupci na srcu urezani svi ti ljubavni tragovi shvatam niko nije zaslužio da ga poslje tebe zavolim.....

Okano moje, Sjedim i citam tvoje poruke koje su prošle godine u ovo vrijeme stvarale osmijeh na mom licu, sjećam se svake sekunde provedene s tobom, svakog razgovora....svoga....i onda kada se sjetim da poruka više nema, nema osmijeha, nema razgovora....niceg više nema.....nista više nije isto od kada tebe nema .....ne mogu vjerovati da je sve nestalo u jednom danu u jednoj sekundi....zivim bez tebe ali kao i da ne zivim....od kad te nema nema ni pola mene jer od tog dana sve u meni vene.....bolje receno nicega više nema....zivim samo za susret sa tobom...zivim za taj dan kad cu te opet sresti...ti si moja prva misao jutrom i zadnja kad legnem, ti si svake sekunde u mojim mislima i vjечно cu se pitati zasto??? Zasto ti Okano..... Samo nebo zna koliko te volim i koliko mi nedostajes.....osmijeh prekrivaju suze, sreću prekriva bol a moju ljubav prema tebi ne može prekriti nista....ja znam da moram dalje ali ne mogu.....ne mogu bez tebe jer ono najbolje što sam ikada imala u životu Bog je uzeo sebi....i tako cu dalje živjeti samo za tebe, citati tvoje poruke i mailove, sjećati se svake sekunde sa tobom i voljeti te do vječnosti. Da mi je zaspati i s tobom se probuditi.... Pocivaj u miru jedino moje Voli te zauvijek tvoja Katarina

### *Katarina*

Okano moje, da si tu.....Okano znam da bi sve bilo drugacije, ljepše, lakše....Oprosti što sam ponekad ljuta na sebe, tebe, i svakoga oko mene jer to su momenti kada je teško shvatiti da mi te više nema. Želim te vidjeti, čuti, zagrliti i osjetiti te kraj mene. I ako fizički nisi više tu među nama ja te osjećam svake sekunde uz mene i Hvala ti....znas ti zasto..... Ponekad se pitam da li smo mi ljudi masine jer ne razumijem da jedna osoba može toliko bolno da izdrži a da ne poklekne pod svojim krizem. Ali isto tako znam da bi poklekla da nisi samnom i da mi ne dajes snagu za neki dalji život iako se ovo ne može zvati život jer TI nisi uz mene. Ali sam isto tako ponosna jer si veliki dio mene i zauvijek ćeš to da ostanes. Onaj najljepši dio mene i mog života si TI Okano.Volim te Okano, volim te više nego život svoj i moja ljubav prema tebi je svakim novim buđenjem još veća, jer samo ti zaslužuješ svu ljubav ovoga svijeta. Ti moje malo slatko "smotano" :), Ti moje jedino si od mene napravio boljeg čovjeka i Hvala ti za to. Tek kroz tebe je moj život dobio smisao i svega smo imali samo ono najvažnije nismo a to je vrijeme. Bog je sebi ubrao svoju

najljepšu ruzu koja je cvjetala u njegovom vrtu. Okano moje svaki dan gledam tvoju sliku i još uvijek mi se sve čini kao neki ruzan san.....Molim te probudi me iz njega i reci da si tu!!!!!! Volim te zauvijek tvoja

Osam mjeseci.....osam bolnih mjeseci bez tebe, tvog osmijeha, tvoga glasa, tvojih očiju, tvojih zagrljaja, tvoga glasa.....Osam bolnih mjeseci bez tebe jedino moje.....

A ja još uvijek nisam prihvatila tu bolnu istinu niti ću je ikada prihvatiti. Za mene si tu i nikada te neću pustiti da odeš... Osam mjeseci je prošlo a ja nisam ni osjetila jer još uvijek je sve kao i prije osam mjeseci,.....Bol, nevjerica i opet ono pitanje ZAŠTO????? Vrijeme prolazi i mi nastavljamo živjeti ali NIKADA više kao što smo prije, jer budimo realni KAKO ŽIVJETI DALJE KAD TEBE NEMA????? Kako cvijet može cvjetati kada mu otkineš pupoljak, kako ptica može letjeti ako joj slomiš krila, kako sunce može sjati ako su nebo prekrili tamni oblaci???? NIKAKO!!!!

Okano ...nedostaješ.....da li znaš, da li vidiš koliko meni, nama svima, ljudima koji te istinski i cijelim srcem vole nedostaješ....

Mogla bih puno toga ovdje napisati ali ništa ne može opisati one stvarne osjećaje u meni.... Zato ću ovdje da završim.....Ali moja ljubav nikada neće imati kraja....

Jedino moje, lijepi Anđele neka ti je laka zemlja, počivaj u miru Božijem i molim Boga samo da ti kaže da te VOLIM više nego život svoj.....

Voli te zauvijek tvoja

### VRIJEME UNAZAD

Kada bih vrijeme  
unazad mogla vratiti  
poželjela bih da te ponovo  
vidim i snažno zagrlim  
Da ti kažem da te volim

i da te nikada neću ostaviti.

Ali tebe mi nema  
i vrijeme nažalost ne mogu vratiti  
ali ću zauvijek jedino moje  
tebe i naše uspomene pamtiti.

Nisam znala da te čuvam  
oprosti mi i kajem se  
sad si negdje  
daleko od mene.

Uskoro se puni  
osam mjeseci kako mi te nema  
kako mi ne govoriš  
da sam tvoja malena

Potreban si mi kao zrak  
koji dišem  
i bez tebe život  
nije život više.

Nisam znala da te čuvam  
oprosti mi i kajem se  
sad si negdje  
daleko od mene.

Nisam znala da te čuvam  
oprosti mi molim te  
i ako sad si negdje  
daleko od mene  
ja još uvijek kao prvog dana

Volim Te!!!

Okano moje,

sa svakim novim danom vidim da si ti jedino moje koje nikada neće biti prezaljeno jer mi svake sekunde moga života falis neopisivo. Moram ti priznati da ima boljih i gorih dana ali smisao onoga svega što sam imala ili vidjela u tebi, nama je otislo sa tobom. Boli Okano, boli još uvijek kao i prve sekunde bez tebe i ova bol nikada neće prestati osjećam samo da je svaki dan ta bol sve veća i da ima momenata kada mi zraka nestane.....Da mogu barem na tvoje mjesto ja to je misao u mojoj glavi od prve sekunde bez tebe....Ima puno dana kada mi jednostavno fale riječi reci bilo šta i onda u mojoj glavi odvijam film od početka do kraja i opet i opet i onda sebi kažem "ne nije moguće Dragan nas nije napustio on je tu sa nama" ali kao i uvijek je realitet ono što me spusti na pod. I ako sam u jednu stvar u životu sigurna to je da si tu sa nama i da nas nisi niti ćeš nas ikada napustiti. Iako te fizički ne osjećam, očima ne vidim ali ja znam da si tu jer te duboko u svome srcu čujem, vidim i osjetim. Znam da si tu sa nama u svim trenucima. Moj najljepši Anđele neka svijetlost svake svijeće koja gori za tebe i svako sjećanje na tebe osvijetli tvoj vječni dom, neka nama kada dođe vrijeme ta svijetlost obasja put do tebe jer znam da će mo se opet vidjeti jedino moje i vjeruj mi da ja za taj dan živim.

Okano nosim te duboko u svome srcu i čuvam te vječno u njemu.

Volim te zauvijek.....

## *Katarina*

Jedino moje,

dani prolaze ali bol ostaje i svaki dan mi se čini da je veća i da je svaki dan koji prođe bez tebe kao i da ne živim. Samo me ova tupa bol koju osjećam u grudima svaki tren podsjeti da sam živa.

Ljudi me gledaju i govore svaka čast kako si jaka, ali nitko moje Okano ne zna bolnu istinu da sam slabija nego što itko misli o meni ali ne želim da im pokažem, kao da se sakrivam iza toga svega i uhvatim sebe da tada sebi govorim da si još tu, da me da nas nisi napustio. Ali moja četiri zida znaju cijelu istinu o meni, tebi, nama.....

Nedostaješ Okano to se riječima ne može opisati.....

Svaki dan te čekam i vjeruj mi da ću te vječno čekati.....

Ti si sve vrijedno što imam i što sam ikada imala .....

Volim te i voljet ću te vječno jedino moje.....

Zauvijek tvoja.....

12.09.2009 - 12.03.2010

Šest punih mjeseci od kada je otišao sin, brat, prijatelj.....moja ljubav jedina..... I ako dani prolaze mi smo još uvijek u dubokoj boli i nevjerici da si nas napustio, i ta bol i nevjerica će nas pratiti kroz cijeli život.

Život bez tebe.... Ali mi se ne možemo naviknuti na život bez tebe, jer naše živote si ti činio sretnim i potpunim .....

Ali nas tješi vjera u Boga i da će mo se opet sresti.....

Počivaj u miru Anđele.....

Jedino moje..... Nema rijeci koje mogu opisati ovu pustu bol za tobom.....Sve receno je suvisno jer samo tisina opisuje tugu i bol koju osjecam od kada si otisao....Nema sekunde kada ne pomislim na tebe, nosim te u svome srcu, u svojoj dusi, vjecno.....Znas ponekad zamisljam da si jos tu i onda se uhvatim kako zelim da te nazovem da ti ispricam sve sto se dogada i onda u jednom trenutku zastanem svijet se prestane okretati, najveca buka postane tisina i tada pocinjem da shvatam da si otisao.....A ja bih sve dala da si jos tu.....I ako nisi samnom tu ti si i uvijek ces biti dio mog zivota...i to onaj najljepsi koji sam ikada imala i koji cu ikada imati..... Volim te Okano.... Zauvijek tvoja Katarina

Ne pitaj me razlog tuzi, ne pitaj me  
zašto srce noćas boli  
zašto zbog tebe mre  
ne pitaj me razlog tuzi, ne pitaj me  
sklopit ću oči i za te molit  
prerano si otišao i ostavio nas u boli, sve....

Ti si otišao, dušo, a srce nije stina  
ti si otišao, dušo, i boli me daljina  
zaboravit neću milovanja tvoja  
hvala ti za sreću, hvala, dušo moja....

Ne pitaj me razlog tuzi, ne pitaj me  
samo tebe srce voli

samo zbog tebe mre  
ne pitaj me razlog tuzi, ne pitaj me  
nema utjehe u ovoj boli  
jer tebe nema kraj mene.....

Volim te zvijezdo moja sjajna, najljepša na cijelom nebu. Volim te i nedostaješ mi.....

Svaka riječ je suvišna jer ovu bol ništa opisati ne može.

Počivaj u miru moj lijepi Anđele.....

*Katarina*

Jedino moje.....

160 dana je prošlo od kako mi te nema.....

160 dana bola i tuge.....očekivanja tvog poziva i javljanja.....čekanja na tebe.....nadanja i iščekivanja....suza i ljutnje.....molitve i pitanja.....sjećanja i nemoćnosti.....

Sjećaš li se koliko si mi pričao o Splitu i o danima kada si studirao ovdje, o doživljajima i koliko smo se smijali ti i ja te večeri, našim planiranjima kako ćeš mi ti jednom Split pokazat i izvesti me vani.....evo sada sam ti ja u Splitu Okano ali mi tebe nema....Kada hodam ulicama ovog grada podsjeća me na tebe i ako nismo ovdje bili zajedno ali iz tvojih priča osjećam kao da sam bila s tobom tu.....šetam po rivi i osjećam da si samonom da me pratiš kao da hodaš pored mene....osjećam te jednostavno te osjećam i znam da si tu.....gledam u plavo nebo i vidim ti lice, vidim onaj nezaboravljeni osmijeh....gledala sam danas kako se sunce zalazi kao da nestaje u moru i vidjela sam sjaj tvojih očiju kakav si samo ti imao.....

Bože moj kako mi nedostaješ Dragane.....nema tih riječi koje bi mogle opisati koliko mi nedostaješ i koje bi mogle opisati kako nemoćno se osjećam....nema sekunde kada ne pomislim na tebe....učinila bih sve na ovome svijetu kada bih ti mogla vratiti mladost iz koje si prerano istrgnut, vratiti ti život koji je prerano prekinut...sve, sve bih učinila.....ali nemoćna sam....jedino što mogu je voljeti te i čuvati te duboko u mom srcu i u mojoj duši.....u mojim sjećanjima i u meni ćeš ti jedino moje živjeti vječno.....

Volim te .....

***Katarina***

Jedino moje.....

dani su sve duzi, sve bolniji i sve nepodnosljiviji bez tebe.... Sutra se navrsava 5 mjeseci kako si nas ostavio i otisao bez pozdrava i ostavio nas u suzama i bolu. I mogu proci godine ali ja jos uvijek ne mogu i necu da vjerujem da te nema i to cu govoriti sve dok zivim.....

Trebam te Okano, Boze moj kako te trebam jedino moje....svaki dan sve vise.....Sada kada sam ti blize tebe mi nema....i onda se pitam s kim da podijelim ovo sve??? Nema mi te nema Okano a zelim te toliko da si sa nama....Svaki dan je uzaludan bez tebe, tvog osmijeha, pogleda... jednostavno je bilo dovoljno znati da si tu da se stvori osmijeh na mome licu....

Kako da zivim s tim da te vise nikada vidjeti necu?????

Ovaj zivot nije fer vjeruj mi!!!!

Volim te zauvijek jedino moje....

Tvoja Katarina

## *Katarina*

...."Juče si bio tu, vidjela sam te, čula sam ti glas..... "nemoj plakat moja Mostarko dobro sam ti ja bona"....to su bile riječi koje si mi rekao, i tada si me čvrsto zagrlio kao i prije. Tvoj topli pogled koji toliko volim i sada prodire kroz mene, tvoje nježne ruke i sada osjetim oko moga vrata. Sjedili smo na lijepoj bijeloj klupi nekome širokome polju i sunce je grijalo naše obraze... ali ja nisam mogla da skinem svoje oči sa tebe. Tako si mi lijep....Gledala sam te i šutila. Nisam imala snage ništa da kažem samo su suze tekle same od sebe dok su ih tvoji prsti brisali sa mojih obraza. Mislim da smo sjedili satima tako šuteći i gledajući jedno drugo. Na tvome nježnom licu sam vidjela samo osmijeh u tvojim očima ljubav a iz tebe je zračila neka meni čudna i neopisiva sreća. Zagrlio si me i ja sam zatvorila oči i naslonila svoju glavu na tvoje rame dok si nježno milovao moje lice....Rekao si mi "Ma znaš ti moja Mostarko da je tebe Volim".....U tome trenutku sam osjetila osmijeh na svome licu i kada sam ti htijela reci ....Volim i ja tebe.....probudila sam se i samo je svijeća pored tvoje slike obasjavala moju polumračnu sobu.....

Bože moj kako mi nedostaješ, ova bol u meni je neopisiva i svaki dan je sve veća.....

Volim te Okano!!!!

## *Katarina*

Noćas te trebam, čežnja piše stihove

sati bez tebe prolaze kao godine.

Sama sam na tom brodu nemira

plovim uz vjetar jer znam

da sam samo tebi suđena.

Moj si Anđeo to znam

podigni me visoko k sebi, tvoja sam

uzmi moje molitve

dovedi me sebi i nedaj me nikome.

Sve su riječi nestale

samo suze govore

ostala je istina

da sam te od prvog trena cijelim srcem voljela.

I sve jače borim se

u sred svoje pustinje

umjesto tvoje nježne ruke dvije

mene sada grli samo sjećanje.

*Volim te*

***Katarina***

Za moju ljubav jedinu.....

Anđele moj lijepi, ovaj svijet je tako prazan bez tebe

Ni radosti ni smijeha

Samo lijepa sjećanja....

Ali ja ne želim da živim samo sa lijepim sjećanjima na tebe, ja te toliko želim tu, da te vidim, da te čujem da se tebi i s tobom svakom novom danu radujem.

Nema te....

Istini ja ne mogu i ne želim pogledati u oči,tužni su bez tebe dani i noći

I ako znam da si Anđeo sada ti,

u suzama molim Boga i pitam se kada ću te opet vidjeti.

Molim Boga da na naš ponovni susret ne moram dugo da čekam jer ne želim ni jedan dan više da živim bez tebe i samo da te se sjećam.

Boli me Dragane svaki dan koji prođe bez tebe, bez tvog osmijeha, tvojih poruka i naših snova. Kako akceptirati da osoba koju cijelim srcem voliš nikada više neće biti uz tebe, kako akceptirati da onaj osmijeh nikada više čuti neću i pogledati u lijepe okice moga Okanog? Kako prihvatiti da je sve o čemu smo sanjali otišlo sa tobom i da toga nema više? Kako prihvatiti tu toliko tešku i okrutnu sudbinu koja je zakucala na naša vrata i ušla u naše živote bez pitanja????

Ja mogu stajati na tvome grobu ali ti za mene nisi otišao, ja to ne prihvatam i ne akceptiram. Za mene si tu svaki sekund svaki minut svaki dan.....Za mene živiš u mom srcu zauvijek!!

Ja te nedam, nedam da ikada da odeš od mene, ne to neću nikada dozvoliti. I ako dođe dan kada to budem dozvolila to će biti dan kada budem opet sa tobom a tada nas nitko više neće moći razdvojiti.

Bože moj samo te molim da mu kažeš koliko ga cijelim srcem i dušom volim.....

Dragane moj dragi samo kada bih mogla umjesto tebe na tvoje mjesto ja....Ja sigurno nisam vrijedna života koliko si ti jedino moje.

Molim Boga a i vjerujem da si ti sada na mjestu gdje nema noći, gdje se ne osjeća nikakva bol, gdje je radost i sreća, gdje svaki dan cvijeće u najljepšim bojama cvijeta, gdje vlada ljubav, gdje se ne osjeća tuga već smijeh,razumijevanje, toplina i sve ono što je lijepo.

Dragane moj toliko bih mogla napisati i reći ali mi uvijek fali snage jer kad ove riječi pišem zvuči mi kao oproštaj, kao rastanak...A ja se nikada neću oprostiti od tebe i nikada me nitko od tebe rastaviti neće. Fali mi snage za svako novo jutro koje svane bez tebe, za svaki novi dan koji moram preživjeti bez tebe a dani su postali tako dugi od kada si otišao.

Bože moj sve bih dala kada bi mi se vratio...sve i još više od toga.....

Anđele moj lijepi, mirno mi spavaj, neka Božija ruka bdije nad tobom i neka ti podari vječni mir i blagoslov.

I molim te čuvaj mjesto za mene na svome oblaku...

A do tada ja ću te čekati i radovati se našem skorom susretu.....

Voli te zauvijek tvoja

Katarina

## *Katarina*

Za moga Dragana.....

"Mi ne smijemo reći da smo gubitnici i da smo te izgubili mi se zovemo sretnima jer nas Bog toliko voli da nam je podario tebe, i iako nisi sa nama ovdje mi te nismo izgubili, jer dok žive oni koji te iskreno vole ti ćeš živjeti vječno...zauvijek....."

Ostala je naša ljubav zapisana u vremenu i sjećanju.

Kraj je prebrzo došao, prerano je prekinut naš lanac sreće, prerano je uzet i prekinut jedan mladi život koji je tek počeo i prerano je crna zemlja prekrila tvoje prelijepo anđeosko lice.

Ali moju ljubav prema tebi neće ni snijegovi zamesti, niti oluje slomiti, niti vode potopiti, niti vjetrovi odnijeti, niti crna zemlja prekriti. Jer ja umijem samo svaki dan da te više volim i za tebe Anđele lijepi za mir tvoje duše Bogu da se molim.

I ako te nema tu na ovome svijetu samnom ostavio si dubok trag u mom životu.

Osjećam te, tu si u mom srcu, u mojoj duši, osjećam i nosim te duboko ispod moje kože.

Možda će ljubavi moja jednoga dana rana na mom srcu da zaraste ali ostat će ožiljak koji će me vječno podsjećati sa svakim otkucajem moga srca koga sam imala i izgubila. I ja ću te nositi kao najljepši ožiljak i ti si bio i ostat ćeš ljubav koja se jednom dogodi, čovjek koji se jednom sretno i sva moja sreća koju sam ikada i koju ću ikada imati u svome životu. Sve rane mogu da zarastu, sunce može prestati da grije, zemlja se može prestati okretati ali ja te ne mogu prestati voljeti! ja ću te voljeti vječno!

Tvoj lik je za mene moja ikona, tvoje ime za mene svetinja....

Čuješ li moje srce koje ti govori da te voli?

Čuješ li kako tužna dozivam ime tvoje?

Vidiš li suze koje teku za tobom?

Osjećaš li koliko mi nedostaješ ti i tvoja ljubav?

Ali jedno te samo molim nikada nemoj osjetiti bol koju ja osjećam. Ti mi samo budi sretan i nasmijan u Božijem domu kao što si uvijek bio a ja ću svu tugu i bol ovoga svijeta uzeti na sebe.

Volim te

Zauvijek tvoja

Katarina

***Katarina***

Dragane Okano moje,

nedostaješ...Bože dragi kako dalje bez tebe???

Danas na ovaj datum kojeg bih najradije izbrisala da ne postoji se navršavaju 4 puna mjeseca kako nas je napustio sin, brat, prijatelj,moja ljubav....4 mjeseca boli i tuge za tobom. Napustio nas je naš Anđeo. Čovjek sa srcem i dušom, sa osmijehom i uvijek toplom riječi na usnama. Takav kao što si ti Okano nitko više neće biti. Ti si nešto posebno i nama veliki dar od Boga. Svjesno ne govorim da si "bio" jer dok je nas, onih koji te bezuvjetno i cijelim srcem vole vječno ćeš živjeti.Svake sekunde si u mojim mislima i nikada neću dopustiti da tvoj lik u mome sjećanju pokrije veo zaborava. Jer ako iskreno volimo nikada ne zaboravljamo.....

Za mene si još uvijek tu, čujem tvoj glas, tvoj osmijeh, osjetim tvoj miris....i znam da si tu. Četri bolna mjeseca pokušavam da shvatim šta se dogodilo i zašto???? Osjećam da ludim od slinih pitanja na koje ne dobijam odgovor. Znam da ću jednoga dana na sva moja pitanja dobiti odgovore ali Okano ja ne mogu i neću da čekam toliko. Ali opet sebi govorim da ne bih skroz poludila da je Bog dragi tako htio i da protiv toga ne možemo.

Zaustavljen u koraku i snu. Otet iz cvijeta mladosti i sreće. Uzet u početku svoga života....

Boli Okano svaki dan bez tebe je patnja i borba koja mi svaki dan teže pada. Od kada si otišao za mene više ništa nije isto i ni u čemu ne vidim više ikakav smisao. Sa tobom je Okano moje sve bilo ljepše, toplije, radosnije, sretnije. Svijet je slomljen u tisuće djelova i stoji, ne pomijera se.....

Sunce ne grije više kao prije, jutra su sve teža i molim Boga da nikada više za mene ne svanu, noći su sve tužnije i molim se dragom Bogu da te čuva, da ti kaže da te volim i da me što prije tebi dovede.

Volim Te Okano kao nikoga na ovome svijetu. Ti si prvi i zadnji čovjek, sa mojim tatom, kojeg sam cijelim srcem i dušom voljela i volim. Ti si bio i ostao moja prva iskrena ljubav. I iako tebe više na ovoj zemlji nema ja te još uvijek Volim i moja ljubav prema tebi je svaki dan veća. Jer sve i da hoću ne mogu prestati da te volim a i ne želim da moja ljubav ikada prestane jer samo ti Okano si vrijedan moje ljubavi i nitko više.

Dragane, ja polako gubim snagu za ovaj život. Jer nesmiem ni pomisliti na neku budućnost jer za mene nema budućnosti bez tebe. Ja sam u tebi i s tobom vidjela budućnost a i na našem zadnjem susretu si mi rekao da i ti misliš isto kao i ja....Bože moj kada se samo sjetim koliko planova smo imali a sada ja živim sama bez ikakvog plana bez ikakve nade za neku bolju budućnost jer znam i to dobro znam da bilo kakva budućnost dođe nikada više neću biti sretna kao što sam sa tobom bila. Ali za tebe i radi tebe sam bila i ostat ću spremna podnijeti sve u životu. Samo molim Boga da ne traje predugo.....

Jedva čekam da se vratim Okano da ti budem bliže, da mogu otići tamo gdje moj Anđeo spava i da se mogu tu pomoliti i upaliti svijeću za tebe. Jeste da to svaki dan radim ovdje ali to nije isto Okano....to nije isto ljubavi moja.....

Jedino što me tješi je da znam da ću te ponovo vidjeti da će mo se ponovo sresti i reći ću ti iskreno da se radujem tom danu.....

Počivaj u miru Božijem najljepši Anđele, neka te Bog dragi čuva i tvoje najmilije i molim te kao i svaku večer da svojim najmilijima podariš snage da mogu podnijeti svu ovu bol i tugu, da imaju snage nositi njihov preteški križ i da im daš snage živjeti sa teškom sudbinom koja je srušila njihove živote onoga dana kada si otišao. A za sebe te molim samo da mi vjeruješ kada ti kažem da te Volim i da si moje sve. I molim te da mi oprostiš jednu stvar a to je da nisam toga dana bila na tvome ispraćaju u vječni dom. To ja sebi nikada oprostiti neću ali tebe molim da mi oprostiš.

Spavaj mi mirno Anđele moj, moja zvjezdo sjajna koja krasi nebo i dom Božiji.

Volim te zauvijek tvoja

Katarina

## **Lasta**

Ni ova godina nije puno donjela  
osim nade da si još uvijek moj  
svaki datum samo novi je broj

Ljudi i gradovi, ovo nebo i oblaci  
ništa to bez tebe ne znači mi  
samo vrijeme prolazi

Ako me krene sudbina  
moja je želja jedina  
da kao lasta odletim za njim  
i da se ovdje više ne vratim

Ni ova godina nije bila bolja  
ista lica, sve se vrti u krug  
ja ko lasta čekam kartu za jug

Ljudi i gradovi, ovo nebo i oblaci  
ništa to bez tebe ne znači mi  
samo vrijeme prolazi

Jedino moje,

evo vraćam se kući a kilometri tuge i bola su iza i ispred mene. Bože moj svaki sekund si u mojim mislima. Zatvorim oči i vidim te kako me gledaš, vidim tvoje prelijepo lice i kada pođem da te dodirnem nestaneš i onda opet shvatim da je to bio samo san....nažalost!!!!!!

Nema trena kada ne poželim da te nazovem ili da ti pošaljem poruku. Tvoj broj telefona čuvam i koliko puta uhvatim sebe kako tebi, svom Okanom želim da napišem....Volim Te.....

Bože moj zašto???? Zašto te nam je dragi Bog uzeo sebi??? Pa Bože moj toliko si nam potreban ovdje sa nama to se ne može riječima opisati, jedino ova oštra bol koja nas kida u komade priča svoju tužnu priču i govori koliko nam trebaš. Trebas svojim roditeljima, bratu, obitelji, prijateljima.....meni.....

Ti sva moja radost koju sam ikada imala, ti si stvarao osmijeh na mome licu samo kada bih pomislila na tebe....I tisuće kilometara odvojena od tebe sam samo molila Boga da mi te čuva i da vrijeme brzo prođe da se opet vidimo...ali nam nije bilo suđeno Okano moje....

Sjećanja na tebe su sve što imam i to mi nitko nikada uzeti ne može i neće. Jer tvoj lik, moja ljubav prema tebi i sjećanja na tebe, na nas, na vrijeme koje smo proveli zajedno su duboko urezana u mojoj duši koja plače za jednom velikom ne prežaljenom ljubavi, za tobom moje Okano. I to je jedino što me drži na životu, moja beskrajna ljubav prema tebi koju čuvam kao kap vode na dlanu da ti je poklonim kada opet jednoga lijepoga dana budemo zajedno. A do tada molim te samo mi daj mrvicu snage da barem nekako preživim ove bolne dane do našeg ponovnog susreta.

Volim te .....

Nedostaješ.....

## *Katarina*

Jedino moje,

nema riječi koje mogu išta na ovome svijetu da opišu jer na ovome svijetu ništa više nije važno jer tebe nema a toliko te želim ovdje kraj sebe.....Ti sunce moje malo si sav moj svijet, a kako dalje bez tebe???? Pokušavam ali samo za tebe Okano....Samo za tebe ću da trpim i podnosim sve na ovome svijetu jer te volim!!!! Sve pobjede i poraze, svu sreću i nesreću, sve suze i smijeh....

Bože moj Okano kako nedostajes, Bože moj koliko mi fališ. Hodala sam gradom večeras i kiša koja je šibala po mome licu sakrivala je suze koje su tekle. Ponekad kao večeras mi fali riječi da išta kažem.

Ali moje srce priča sa tobom svake sekunde. Voljela bih leći i probuditi se s tobom, kraj tebe u nekom drugom svijetu.....Bože moj samo kada bih mogla vrijeme vratiti unatrag....samo kada bih mogla promijeniti sve....ali nažalost nije u mojim rukama. U mojim rukama je da tebe vječno nosim u svome srcu, u mojim rukama je da nikada ne dozvolim da padneš u ikakav zaborav, u mojim rukama je da živim za tebe, da posjećujem tvoj vječni dom, da molim za tebe i tvoju obitelj da im Bog dragi snage podari u ovome preteškom bolu. U mojim rukama je da te VOLIM!!!!

Ah Okano moje da si barem tu...znam da si ti sa nama svake sekunde...ali mislim da si tu da te vidimo, čujemo i radujemo i smijemo se s tobom. Da pogledam u najljepše oči moje ljubavi.....i da ti kažem da si moje SVE!!!! Okano ako ne mogu da imam tebe na svojoj strani onda ne želim nikoga drugoga u svome životu.

Molim te Okano čuvaj svoju prekrasnu obitelj, podari im snage da mogu podnijeti svu bol kaoja je ostala za tobom. Podari im snage za sve što žele, misle, rade bude sa Božijom pomoći i čuvaj ih. Znam ja da si ti sa njima ali te ja isto molim da ih ti čuvaš.....

Volim te Okano, zauvijek tvoja

Katarina

## *Katarina*

Okano moje,

dani prolaze ali bolanikada. Duboko je urezana u mome srcu i mojoj duši.

Bože moj još 8 dana i navršava se 4 mjeseca kako si otišao..... još uvijek je to za mene bolno...nerazumljivo...neshvatljivo....još uvijek vjerujem da sanjam ružni san iz kojeg ćeš me ti jedino moje probuditi...Bože moj šta bih sve za to dala.....

Gledam naše slike i sjećam se kako nam je lijepo bilo dok je ovaj svijet bio još u redu.....Sjećam se svakog trena, svake sitnice jednostavno svega i to mi niko nikada neće moći uzeti. Okano ne prođe ni jedna minuta da ne pomislim na tebe. Volim te i voljeti ću te vječno vjeruj mi jedino moje.

Dok su se svi radovali Novoj Godini ja sam stajala sa suzama u očima i pričala sa tobom i molila sam Boga da me možeš čuti da znaš koliko mi nedostaješ.... svaki dan više.

Okano moje ovaj život je tako težak bez tebe, ja molim Boga da mi ga oduzme i odvede me tebi. Da te opet mogu vidjeti, zagrliti i da opet budemo zajedno. I da me više nikada ne razdvoji od tebe.... Ja opet kažem da te čekam i da ću te čekati svaki dan. Jer znam da moje čekanje nije niti će biti uzaludno. Ja znam da će mo opet biti zajedno jednoga lijepoga dana ali se samo nadam da me dragi Bog neće dugo ostaviti bez tebe na ovoj zemlji.

Svaki novi dan je poraz jer sam ga doživjela, svako novo jutro je veća borba nego prošlog i svaka noć je teža od onih koje su prošle.

Volim te Okano i vječno ću te voljeti. Jer ti si moje sunce, moja radost i moja sreća. I jedino za tebe vrijedi živjeti i nositi ovaj težki križ

Znaš Okano kada me ljudi pitaju kako sam ja im kažem da sam dobro i da život mora dalje da ide, tada ih svjesno lažem u oči.....Jer jedino Bog dragi zna kako mi je teško i koliko mi nedostaješ i da više nemam snage ni za što. Samo Bog dragi zna da ja živim samo za tebe ljubavi, samo za tebe i nikoga više!!!!

Volim te Okano i nedostaješ ljubavi

Zauvijek tvoja Katarina

### **Bez tebe**

Pogledam u tebe  
sve mi miriše na kraj  
led s tvojih hladnih ruku  
na koži osjećam

Nije mi žao, ja u sebi ponavljam  
zastava bjela za bol što osjećam  
ne znam, ne mogu više ni da se pretvaram  
niz obraze kapi odlaze  
ne gledaj me trag od soli još me boli

Ne želim mir, ne želim nadu bez tebe  
ni sretan kraj, ni svjet u zlatu bez tebe  
neću da dišem da se budim bez tebe ja  
u moru pelina

Ne želim lijek, ne želim nadu bez tebe  
i miran san, ni svjet u zlatu bez tebe

neću da dišem da se budim bez tebe ja  
u moru pelina

Nestaje tlo tu pod mojim nogama  
ali ipak stojim moja zadnja odbrana  
dok cjeo svijet s tobom nestaje  
ne gledaj me trag od soli još boli me.

*Nemoj stajati nad mojim grobom i plakati*

*Jer ja nisam tu, ja nisam zaspao.*

*Ja sam u tisuće vjetrova koji pušu*

*Ja sam tihi i lagani snijeg koji lebdi*

*Ja sam nježna kiša koja pada*

*Ja sam u jutarnjoj tišini*

*Ja sam u proljetnoj rosi*

*Ja sam u prekrasnoj brzini kada ptice lete u krug*

*Ja sam zvjezdani sjaj u noći*

*Ja sam mjesečeva svjetlost koja te obasjava*

*Ja sam u svakom lijepom cvijetu*

*Ja sam u tihoj sobi*

*Ja sam ptice koje pjevaju*

*Ja sam u svakoj lijepoj misli u svakoj lijepoj stvari*

*Čekaj me, i ja ću sigurno doći  
samo me čekaj dugo  
čekaj me i kada žute kiše noći ispune tugom  
čekaj i kada vrućine zapeku  
i kada mećava briše,  
čekaj i kada druge nitko nebude čekao više  
Čekaj i kada pisma prestanu stizati iz daleka  
čekaj me i kada čekanje dojadi  
svakome koji čeka,  
čekaj me i ja ću sigurno doći*

*Ne slušaj kad ti kažu kako je vrijeme  
da zaboraviš, i da te nade lažu, nek povjeruju i sin i mati da više ne postoje, neka se tako umore čekati i svi  
drugovi moji i gorko vino za moju dušu nek piju  
kod ognjišta, čekaj i nemoj sjesti s njima, nemoj piti ništa...*

*Čekaj me i ja ću sigurno doći  
Sve smrti me ubiti neće,*

*nek rekne tko me čekao nije,taj je imao sreće.*

*Ja ću vječno čekati!!!!*

***Moje Okano,***

*evo dani nekako jadno prolaze, ja sjedim sama, svako večer....dok mi suze klize niz obraze gledam tvoje,naše slike i sjećam se dana kada smo bili TI i JA!!!! Dok se srce slama svaki dan na milion komada od bola jer te više nema ipak očekujem svake sekunde da ćeš mi se javiti i reći mi da je sve ovo bio samo jako ružan san.....*

*I kada se ponekad zagledam u sebe u ogledalu ne prepoznajem osobu koja mi stoji sa druge strane, jer bez tebe to više nisam ja, ona stara sretna, nasmijana....Jer sa tobom sam saznala šta znači biti sretan i voljeti cijelim srcem. Sa tobom sam saznala kako je lijepo buditi se sa osmijehom na usnama znajući da postojiš, da si tu, da ćeš mi se javiti, da će mo se čuti.....Ali toga više nema.....*

*Okano, Božić dolazi a ja bih najradije pobjegla negdje gdje me nitko ne zna.Znaš li koliko sam se radovala sa tobom Božiću i da smo planirali da ga provedem dole....Čak sam već i znala koji poklon ću da ti kupim.....I sada još čujem tvoj glas i znam već šta bi mi odgovorio na to.....*

*Niti jedno jutro nemam volje otvoriti oči, ustati i onda ipak kad ustanem se upitam odakle mi ta sva snaga kada se osjećam tako nemoćno.....Živim a i kao da ne živim, dani prolaze a ja i ne primjećujem, smijem se a ne osjećam toplinu na mom licu. Pred drugima sam ona jaka snažna ali samo dragi Bog zna kako je u meni i kako se osjećam kada svoja vrata za sobom zatvorim i ostanem sama u svoja četiri zida.....*

*Pokušavam Okano, pokušavam da budem jaka jer znam da ti ne bi volio da me vidiš ovakvu ali ne mogu Okano, ne mogu i nemam snage.....Kako i za koga da budem jaka???? Kako Bože moj dragi reci mi???? Kako biti jak kada izgubiš jedino svoje??? Kako shvatiti da ćeš ostatak svoga života provesti u sjećanjima, gledajući slike dok suze biraju svoj put, kako prihvatiti sudbinu i istinu kada si ostao svoje ljubavi željan*

*koja je prerano otišla? Kako se cijelim srcem radovati kada je ono puklo na komade? Kako birati i ići svoj put kada nema onoga kojeg želim da me na tome putu prati i da bude uz mene????*

*I opet isto....milion pitanja li nigdje odgovora.....*

*Dani nažalost prolaze bez tebe a ja molim Boga samo da se svijet prestane oktetati, molim ga da se zaustavi, ali neće.....*

*Svaki dan sam slabija, tužnija i svaki dan sve više boli. Imam osjećaj kao da ću poludjeti od ove boli koja duši i ubija..... Ja živim samo jer Bog tako želi, ali vjeruj mi da to nije moja odluka.....*

*Prije sam uvijek govorila nitko nije mene i mojih suza vrijedan dok ti nisi ušao u život moj.....TI Okano si SVEGA vrijedan, samo TI i nitko drugi....Za tebe vrijedi život dati a i sam Bog samo zna da je onda trebalo ja bih to učinila samo da je bilo ikako moguće.....Ali nažalost nije.....*

*Sve je to u Božijim rukama i on za sve ima svoj plan i kako i zašto. I ja znam da će mo mi koji smo u bolu i tuzi za tobom ostali ovdje, duša zavijenih u crno i sa nevjericom u očima, to sve shvatiti kada se jednoga lijepoga dana opet sretnemo, ali Okano moje treba taj dan doživjeti. Treba preživjeti dane bez tebe, a to je nemoguće..... I ja se samo iskreno nadam da neću morati dugo čekati.....*

*E moje Okano kada bi ti samo znao šta bih sve za to dala samo da te zagrlim.....Noćima budna zamišljam da si tu pored mene, da me zagrliš, da se zajedno smijemo, ili više ti jer si opet uspio da me zezneš :) da ti čujem glas, da te vidim i da te osjetim.....ali to su samo želje i snovi jedino moje najslađe.....*

*Živote moj sa najlljepšim okama ovoga svijeta!!! Kada pogledam u nebo i vidim onu najsvijetliju zvijezdu znam da su to tvoje oči koje čak i sa neba sjaje i gledaju na nas....*

*Okano moje toliko sam zahvalna da sam imala tu veliku čast biti dio tvoga života, hvala ti što si me učinio najsretnijom osobom na ovome svijetu i nije važno koliko je trajalo važno je da je se dogodila ta sreća, i ako bih ja dala sve na svijetu da je još dugo, dugo, dugo potrajala....Hvala što sam sa tobom osjetila šta znači voljeti srcem i dušom...jednostavno HVALA TI ZA SVE!!!!!!*

*Molim Boga svako večer da mi te čuva, da ti podari mir nebeski i ako znam da si ti sada među njegovim Anđelima, jer Bog svoje Anđele uzima opet sebi kada mu trebaju ali i ovdje ima osoba koje te trebaju više*

*nego zemlja sunce, ptice let, more vodu jednostavno više od svega na svijetu!!! I opet kažem sve je to u njegovim rukama, u Božijim rukama.*

*Okano ja možda ne znam puno u životu ali jedno znam da te volim i da ću te voljeti cijelim srcem i cijelom dušom svojom, samo tebe i nikoga više. Jer prave ljubavi se dogode samo jednom. I ako me itko ikada bude pitao tko je moja najveća, jedina, prva, prava i ona istinska ljubav ja ću bez ijedne sekunde razmišljanja reći tvoje ime!!!! Samo tvoje ime će uvijek biti na mojim usnama!*

*Okano molim te čuvaj svoje najmilije, molim te daj im snage da dane koje moraju živjeti bez tebe prežive i ako je to kao što sam već milion puta rekla "nemoguće", ali ja znam da ih ti čuvaš i paziš na njih.....a za mene molim te samo sačuvaj jedno malo mjesto na svome oblaku.....*

***Volim te , zauvijek samo tvoja***

## *Katarina*

Okano moje,

danas na moj rođendan je tačno 100 dana kako si nas ostavio i otišao u neki bolji svijet a mi ostali u suzama i u bolu za tobom. Za jednim čovjekom čiji osmijeh je liječio, čiji zagrljaji su grijali i koji je bio i ostao nešto posebno, nešto što se samo jednom u životu sretno i ima.

I ako znam da te nema ja još uvijek svaki tren očekujem da ćeš mi se javiti i zaželjeti mi sve najbolje sa tvojim riječima kako si ti to najbolje znao i nasmijati me ali sada samo suze teku. Svi mi žele da se sve moje želje ostvare ali moja najveća želja da mi se vratiš, da te zagrlim, poljubim se nikada neće ostvariti a drugih želja ni nemam moje maleno.

Al' dođu mi dani kad u zraku ipak te osjetim na čas, i svaku večer tiho plačem što život mi prolazi bez nas Okano moje. Jedan svijet je pukao na svijeta dva.....

Samo Bog dragi zna Okano moje koliko te Volim i koliko mi nedostaješ srećo moja jedina.

Ovaj život nije vrijedan života bez tebe ali ja ipak znam da me ti gledaš i da si tu zato moram biti jaka za tebe i živjeti za tebe moje Okano i ako je to za mene nemoguće ali za tebe ću učiniti sve!!!!

Bože moj kako mi nedostaješ!!!!!!

Ja ću te zauvijek voljeti, zauvijek moje malo Okano.

Samo tvoja Katarina

## *Katarina*

Okano moje,

još uvijek ne mogu da vjerujem. 97 dana je prošlo....97 dana bez tvog osmijeha, tvoga glasa, tvojih poruka, bez tebe!!!! A ja svaki dan čekam da mi se javiš.

Svi se raduju Božiću, prvom snijegu koji pada a ja sam tužna i u suzama. Ne volim snijeg, jer ti si ga obožavao i jedva čekao kad će zima i Božić a nisi ga dočekaao. Nisi ga dočekaao ovdje na zemlji sa nama, ali ja znam da se ti na nebu veseliš svakoj pahulji koja padne, ali ja ne mogu jer tebe nema Okano.Molim Boga samo da ovi Blagdani prođu.

Praznina u meni je svaki dan veća i bojim se svakog novog dana. Bojim se svakog sutra i svakog juče. Jer svako sutra moram bez tebe a svako juče me podsjeti da te nema.

Okano od kad te nema moje srce kuca samo iz navike i svaki dan bi volila da prestane samo da mogu tebi doći da te opet vidim, zagrlim.....

Bože moj kako je samo teško bez tebe!!!!!

Volim te srećo moja jedina svaki dan više i jedva čekam da se opet vidimo, a do tada ću moliti za tebe, patiti za tobom, sjećati se tebe i voljeti te kao niko nikada do sada, a ti ljubavi moja samo me čekaj molim te!

Zauvijek tvoja Katarina

## *Katarina*

Okano moje, kada bih samo mogla sutrašnji dan da ne dočekam, prespavam ili jednostavno izbrišem iz života da ne postoji, ali da si mi ti tu da te imam da te mogu nazvati, vidjeti.....

Večeras je petak kao i prije tri mjeseca. Danas prije tri mjeseca smo se čuli i smijali zajedno, sutra će biti opet ona prokleta subota kao i prije tri mjeseca kada sam dobila vijest koju proklinjem. Kad se samo sjetim kako sam bila sretna taj petak ali danas samo suze teku niz moje obraze i tijelo mi se grči od bola.

Dani prolaze ali je bol sve veća i jača u meni. Duši me Okano moje duši me bol i tuga za tobom. Ja znam da si ti sretan i da si među Anđelima da se s njima raduješ i da nas vidiš, da si s nama...ALI Okano ja te želim ovdje kraj sebe!!!!!!

Stojim pred svojim životom kao pred velikom ruševinom. Od dana kada si me napustio moj svijet i moj život su se srušili i nikad nitko neće moći od te ruševine da sagradi dvorac koji je bio kad sam imala tebe. Pjesma kaže "eh da mogu bar na tvoje mjesto ja, pa da plavim nebom malo prošetam" ja bih dala sve za to Okano moje, sve.....ali nažalost ne mogu na tvoje mjesto. Da mogu vrištala bih od bola, ali ne mogu, moje usne su zanijemile 12.09.2009 :(

Trebam te Okano moje, toliko te trebam da se to riječima ne može da opiše.

ZAŠTO, ZAŠO, ZAŠTO????? Zašto Bože moj dragi??? Svake sekunde isto pitanje u mojoj glavi. Nisam više pametna i ne mogu....Ne mogu bez tebe Okano i ne želim!!!!Ja ne mogu reći da me srce boli jer ga nemam. Dala sam ga tebi da ga poneseš sa sobom, jer šta će mi kada ti nisi tu??? Šta će mi išta kada nemam ono što je život moj...kada nemam tebe Okano.....

ja NIKADA neću razumijeti, ja NIKADA neću shvatiti, ja NIKADA neću prihvatiti da te nema, ja te NIKADA neću preboljeti ali ću te ZAUVIJEK voljeti!!!!

Jedino moje Voli te zauvijek tvoja

Katarina

### *Katarina*

Svaki dan jedino moje, svake sekunde si u mojim mislima. Nije ovaj život za mene kada mi tebe nema Okano moje... Voljela sam te, volim te i voljet ću te vječno!!!!

*Mislim na tebe*

## *Katarina*

Srce nije biralo koga će voljeti  
niti je sudbina pitala koga će boljeti.  
Osmijeh nije rekao da trajat će malo  
a tog dana molila sam srce da stane  
al' ono nije stalo.

Sjedim na obali, dok valovi  
glasno udaraju u stijene,  
molim ih da udaraju glasnije  
jer moje usne su postale nijeme.

Prosut ću svoju dušu  
po plavome moru,  
nek' ono umjesto moje duše diše,  
jer bez tebe fali mi snaga,  
bez tebe ja ne mogu više.

Ti si onaj dio mene  
kojeg nema više  
dok mi kiša po licu rosi  
more kojem sam ispričala tužnu priču  
i ono postade odjednom tiše.

Shvatilo je more, da ni ono moju tugu  
ne može uzeti i ublažiti bol  
kad valovi udaraju od stijene,  
jer u mojim očima vidi tugu  
i da umirem zbog jedne ljubavi,  
ljubavi moje neprežaljene.

### ***Katarina***

Otišao si, ostavio me samu

Boli....peče....duši me

Osjećam se kao ptica

Kojoj su slomljena krila

A prvi put za let ljubavi

Spremna je bila.

Bila sam spremna raširiti

Svoja krila i poletjeti daleko

Preko brda i mora

Do tvoga jata, do tvojih

Zlatnih dvora.

Zauvijek ću ostati ptica

Koja nikada više poletjeti neće

Jer Bogi dragi je tako htio

I uzeo mi moja krila sreće.

Ostat će samo bolne rane

Na mjestu mojih krila

Jedne ptice koja nikada više

poletjeti neće

A toliko je sretna bila.

I sve što sam ikada željela

letjeti na krilima tvoje ljubavi

Putem naše sreće.

### *Katarina*

Juče sam te grčila, milovala nježno lice tvoje

dok sam ti u naručju ležala i šaptala

"Volim te Okano moje"...

Nitko nije mogao da skine osmijeh

sa moga lica,

bila sam najsretnija na svijetu

baš kao mala djevojčica.

Sanjali smo o našoj budućnosti

i imali smo toliko snova

sa tobom sam htijela dočekivati

da svanu jutro nova....

Danas su tužni dani moji

tebe ljubavi više nema

nestali su i zagrljaji tvoji.

Osmijeha više nema, lice su prekrile suze

molim Boga jutra da mi ne svanu

ja bez tebe živjeti ne mogu

al' mi te Bog prerano uze.

Okovana bolom i tugom

kroz život sada idem sama

i dok me sunce kao nekad ti nježno miluje

sve što vidim oko mene je samo tama.

Sutra ću plakati za tobom

kao i svakog dana

poći ću u neku novu budućnost

ostavljena, bez tebe, sama.

Na grob ću ti staviti bijele ruže

i upaliti za tebe svijeću,  
al' u srcu mome bolnu istinu  
da tebe nema  
nikada prihvatiti neću.

Budućnost bez tebe je za mene nešto nezamišljivo

Život bez tebe je za mene nešto nepodnošljivo

Istina bolna da tebe nema za mene

Zauvijek neprihvatljivo....

Volim te Okano.....

## ***Katarina***

Od kada si otišao, moj svijet je pao

Zauvijek si svoje oči zaklopio

I tog dana i moj život je stao

Bolnim suzama moje srce natopio.

Sudbina je bila protiv nas

A bio si i ostao ljubav života mog  
Ni u čemu više ja ne tražim spas  
Rano, prerano uzeo mi te Bog.  
Svaki dani bez tebe bole  
I svaki dan ja čeznem  
Za mirisom tvojih obraza

Moje ruke, hladne, sklopljene

Za tebe molitve mole

Umorna sam od života i od teških poraza.

Boli istina da više nikada neću vidjeti tvoj lik

I tada bih od tuge

Ispustila bolni krik

Ali usne su ostale nijeme

Duša samo jeca i plače

Na srcu velika rana

Kao da je milovana granama oštre drače.

Pokušavam da budem jaka

Al' ne mogu da uspijem

Peče mi lice kao sol ranu

Suza prokleta, svaka.

I tako izmorena bolom

Glavu u hladni jastuk zarijem

I suzama, krvavim suzama ga napijem.

Molim drhtavim glasom

Boga da mi te vrati

Ali moje molitve nebo ne čuje

Tada čeznem za onim spasom

Da mi bolni život bez tebe skrati

Da moja duša vječno s tvojom zajedno putuje.

Život je surov i težak

Da bih ga životom zvala

Tog jutra moj život je nestao sa tobom

Kao srna ranjena pogođena strijelom

Ja sam mrtva na zemlju pala.

Duše zavijene u crno

Kroz život sad koračam

Dani puni tuge, nevjere i plača

I znam sada više nego ikad

Moja ljubav prema tebi je

I od smrti jača.

Volim te

Rekli su mi da nisi otišao nego da si se samo iza oblaka sakrio.

Da ljubav ne prestaje kad voljeni odlaze

Da si Anđeo koji gleda na nas i smješka se

Da letiš i da imaš krila

I da si u boljem svijetu koji se zove raj.

Govore i traže riječi utjehe za jedno slomljeno srce, za jednu ranjenu dušu.

A ne znaju da te svuda tražim.....

Iza svakog oblaka, u suncu, u svakoj kapi kiše u vjetru.....

I našla sam te među zvijezdama...

Ne znaju da moja ljubav ne može prestati jer je vječna.

Da za jednu ranjenu dušu i slomljeno srce lijeka nema

Jer bio si moje sve!!!! a to ćeš i zauvijek ostati.

Ne znaju da sam te ja htijela učiniti sretnim i da sam željela da letiš krilima

Na krilima ljubavi naše.

Da sam ja željela da svi vide tvoj osmijeh i da se sa nama smješčaju i raduju.

Ja sam željela da ti tvoj život na zemlji učinim rajskim.

Željela sam baš puno toga kao i ti i znam da bi naša ljubav nikada ne bi prestala da nije bilo stvarnosti  
jedino moje

Ovaj dan je kao i svi jako tužan bez tebe. Dok kiša umorna pada ja promatram sivo nebo i pitam se gdje si? I ako znam da tijelom nisi tu, osjećam tvoju blizinu i znam da je tvoja duša uz mene.

Ali ipak boli.....Boli svaki dan koji živim bez tebe.

Umorna sam ti Okano.

Umorna od života bez tebe, jer svaki dan je patnja i borba za opstanak. Dani sreće sa tobom su se pretvorili u dane bola i tuge bez tebe. Nisam ti puno toga rekla što sam ti željela reći ali moje srce sa tobom priča svaki dan.

Nedostaješ....

Nedostaješ Okano svaki dan više i više.....

Nema te....

Nema te ali te ja osjećam duboko ispod moje kože, duboko u mom ranjenom srcu i mojoj plačnoj duši.

Trebaš mi....

Trebaš mi svaki dan više nego što je sunce potrebno ovoj proklesoj zemlji. Trebaš mi svaki sekund više, trebaš mi da ti pokažem koliko te volim.

I dok promatram kako jesenja kiša pomješana sa vjetrom žuto lišće sa grana kida, suze polako klize niz moje obraze.

Bože kako bih voljela da si tu.....

Koliko želim da mi se vratiš.

Moje oči možda ne plaču svaki dan ali srce i duša ne prestaju da plaču. I te suze nikada neće prestati da teku. Jer bol i praznina koja je ostala poslije tebe ne može niko na ovome svijetu da ublaži. Ranjenu dušu nitko ne može da izlječi.

I dok oblaci tamni nebom prolaze , dok suze kvase moje lice i moje srce sve polakše kuca ja se sjećam tebe i vremena koje smo proveli zajedno. Sjećam se kao i svaki dan i svaki dan se u mojoj glavi odvija isti film, sjećanja na jednu veliku ljubav. Sjećanja na tebe Okano.....

Volim te.....

## *Katarina*

Tvojim usnama ljubljena.....

Nježnim rukama grljena.....

Tvojim očima začarana.....

Osmijehom tvojim nasmijana.....

Srcem tvojim voljena.....

Licem tvojim osvjetljena.....

Tvoja duša.....

Duša anđela.....  
Ali.....  
Nisam pod sretnom zvijezdom rođena.....  
Jer.....  
Otišao si.....  
Bez pozdrava....  
Ostavio me .....  
U suzama.....  
Tražim riječi.....  
Odgovore.....  
Na mnoga pitanja.....

Prokleta sudbina.....  
Na pod bačena.....  
U sekundi slomljena.....  
Od sreće odbačena.....  
Pred oltarom svijeća za tebe zapaljena.....  
Sa bolom ostavljena.....  
Milion ne izgovorenih riječi.....  
Ne pokazanih osjećaja.....  
Nismo imali vremena.....  
Duša prazna ostala.....  
Bez osjećaja.....  
Pa ja se sreći nisam svidjela.....  
Željna te ostala.....  
Kao malo dijete.....  
Bespomoćna.....  
Ne shvaćena.....  
Bez tebe slomljena.....  
Suzama zagrljena.....  
Radost ubijena.....  
Ljubav moja.....  
Ne prežaljena.....  
Na grobu ruža spuštena.....  
Za jednog anđela.....

Ljubav ne poklonjena ostala.....  
Puna sjećanja i uspomena.....  
Jer.....  
Nismo imali vremena.....  
Volim te.....

Koliko puta sama sebe upitam ZAŠTO???? Zašto si me ostavio u suzama? Zašto je vrijeme bilo protiv nas?? Zašto je to što je bilo tako lijepo tako kratko trajalo? Zašto TI? Kaže se da, najkasnije kad se opet vidimo, dobit ću odgovor na ta sva pitanja ali ja ne želim i ne mogu da čekam toliko dugo.... Ima dana kao što je današnji kada sam ljuta na tebe jer si me ostavio samu, na sebe jer te nisam mogla sačuvati, na dragog Boga jer mi te je uzeo prerano, na sve i svakoga oko sebe.....ali tada kao da čujem neki glas koji mi kaže da ti mene nisi ostavio nego da si još uvijek tu i da je to volja Boga dragoga protiv koje mi ne možemo ništa i ne smijemo....ali opet ne mogu da prihvatim da te nema....a tvoji najmiliji i ja te toliko želimo i trebamo sa nama....

71 bolan dan bez tebe se polako bliži kraju, a ja svaki dan koji moram da živim bez tebe proklinjem. I pitam sebe sa kojim pravom ja još uvijek živim a ti ne? Ali valjda si ti bio Bogu draži pa te uzeo sebi.....Okano moje 71 dan pokaušavam da shvatim da te nema vise tu sa nama, pokušavam ali ne ide. Ja ne mogu još uvijek da vjerujem da te nema, ne mogu jednostavno ne mogu. I neću jer za mene to nije pravedno ali opet tko sam ja da kažem šta je pravda a šta ne, to samo dragi Bog odlučuje.....

Sjećaš li se još zadnje poruke koju sam ti napisala, bila je to jedna od pjesama koju sam posvetila tebi...."Ako mi dođeš ikad ja ću da te dočekam, ako to ne bude nikad ja bih opet čekala i svakoga dana ću biti ja lijepa za tebe, jer svaki je dan tvoj imendan".....I vjeruj mi moje Okano da već 71 dan čekam na tebe i da ću i sljedećih ne samo dana nego da ću cijeli život da čekam na tebe. Jer sa tobom je sve bilo onako kako je trebalo da bude i ti si zaslužio da te čekam, da čekam tebe i naš ponovni susret ma koliko to bude trajalo....Svaku večer se molim Bogu za tebe i svako večer ga molim da sljedeće jutro kad se probudim da mi se ti javiš i da shvatim da je sve ovo bio samo jedan jako jako ružan san. Svaku večer ga molim da mi te

vrati, molim tebe da mi se vratiš Okano moje.....Ali kao da nitko moje molitve ne čuje i kao da nitko moje suze i moju tugu ne vidi.....A umrla bi za samo jedan zagrljaj tvojim nježnim rukama.....Okano moje ako me vidiš onda znaš koliko žalim za tobom jer na ovome svijetu ne postoje riječi koje bi mogle samo mrvicu da opišu ovu bol i tugu i ovu prazninu koja je ostala u srcima tvojih najmilijih i u mome srcu....

Bože moj dragi kako mi nedostaješ Okano moje....

Volim te zvijezdo moja, anđele moj...

Zauvijek.....

"Malo mi je jedan, jedan život s tobom  
sve je lakše nego, nego reći zbogom  
Ja te molim, ja te molim  
još samo jedan dan  
a onda neka umrem, nek' utonem u san...."

Malo mi je jedan, jedan život s tobom  
srce se ne stidi, klečim tu pred tobom

Ja te molim, ja te molim  
još samo jedan dan  
a onda neka umrem, nek' utonem u san...."

## ***Katarina***

Život nekad piše jako čudne i tužne priče i moja/naša je samo jedna od mnogih. Pitam se koliko bola čovjek može da podnese u životu a da mu srce ne prestane kucati od tuge. Nekad bi mogla napisati roman o bolu

koji se nastanio u meni a nekad mi fale riječi samo reći kako se osjećam. Nekada bih mogla plakati cijeli dan a nekada sam toliko tužna da ni suza nema snage da poteče. Pokušavam da razumijem, da prihvatim, da akceptiram, da shvatim.....ali ne ide. Nema dana kada sebe ne upitam kako bi sad bilo da je moje okano sad tu....Da ga mogu čuti, vidjeti, zagrliti.....Ali njega nema....To je moja sudbina da izgubim svoju ljubav najveću i to je moj križ koji moram da nosim ali ja bih nosila još milion križeva na svojim leđima samo da ga mogu vratiti da je tu sa nama....

Pokušavam da nađem neki smisao i razlog zašto se sve tako moralo dogoditi, pa onda kažem Bože moj kako da ga nađem kada si uzeo sebi moje jedino???

Kako da to razumijem ili shvatim??? I ako znam da će mo se opet sresti i vidjeti teško je živjeti bez naših najmilijih. Ostala je praznina koju nikada nitko neće moći da ispuni jer naši voljeni nisu zamjenjivi. Oni su bili i ostali jedinstveni za nas. Nikada ne smijemo reći da smo ih imali nego da ih još uvijek imamo u našim životima jer i ako su otišli otali su u našim srcima, mi živimo za njih i oni su dio nas i ostatak će zauvijek.....

"Nije za tebe  
nije ova zemlja golube  
nije za tebe  
nije ovaj svijet moj anđele  
nije za tebe dušo moja bio  
crven poljski mak  
već krila da te nose nebu pod oblak"

*Katarina*

Što ćeš s bijelim krilima  
kad krila su za let  
sjaj u tvojim očima  
za ovaj nije svijet

Što ćeš s nama ljudima  
nisu za tebe zemaljske stvari  
stvoren si za let

Kad se probudiš tamo  
gdje u ljubav vjeruju  
sačuvaj mjesto za nas  
na svom oblaku

Nije za tebe  
nije ova zemlja golube  
nije za tebe  
nije ovaj svijet moj anđele  
nije za tebe dušo moja bio  
crven poljski mak  
vec krila da te nose nebu pod oblak

Kad se probudiš tamo  
gdje u ljubav vjeruju  
sačuvaj mjesto za nas  
na svom oblaku

VOLIM TE!!!

Moja priča....o Draganu.....

Danas prije 2 mjeseca, 12.09.2009 u 02.55 Dragan je zauvijek zaklopio svoje oči. Danas prije dva mjeseca sam izgubila ono što mi je značilo sve u životu. Bila je subota kada sam saznala da ga više nema. I ta subota mi je svaki dan pred očima. Još uvijek sam u šoku i nevjerici da je moje Okano otišlo jednostavno tako. Ne ne može biti svaki dan govorim sama sebi. To je laž, to nije istina, to su riječi koje svaki dan ponavljam. Ali nažalost to jeste

istina. Moje Okano je otišao jednostavno tako. Pa Bože moj imali smo još toliko planova zajedno, nisam mu još sve rekla što sam htijela, ostalo je toliko ne izgovorenih riječi, pa njemu su bile tek 23 godine. Svaki dan iste riječi koje ponavljam u svojoj glavi. Ali moje Okano je morao otići a nije još ni počeo da živi..... Tišina....Tišina je svuda oko mene, samo duboko u srcu čujem njegov osmijeh i kako me cijelo vrijeme zeza. Čujem kako se smije kad ja nešto ne kapiram ili slično:) ali i još uvijek osijetim njegov zagrljaj, poljubac i ono "ma Volim i ja tebe".....

Bože moj zadnji put kad smo se vidjeli kad sam ja krenula za Njemačku nismo se ni pozdravili. "Ma vratit ćeš se ti meni brzo, prije nego što si mislila" to su bile njegove riječi. Doćeš mi najkasnije za Božić jel tako moja Mostarko i onda osmijeh. Naravno Okano za tebe bi i na kraj svijeta ako treba je bio moj odgovor. Za koji tjedan je Božić ali moga Okanog više nema.... 12.09.2009 umrla je i moja duša sa njim. Ja nikada više neću biti ona stara niti želim da budem jer bez Dragana ja nisam više potpuna. Nedostaje mi ona polovica mene koja je bila sretna, koja se radovala budućnosti, koja se budila s osmijehom na licu znajući da ima svoga Dragana, koja je cijelim srcem voljela....

A sada se pitam kako više sreću doživjeti bez njega? Kojoj budućnosti mogu da se radujem kad njega nema kraj mene? Kako da se budim s osmijehom kad suze same teku? I jedino što je ostalo isto i što se nikada neće promijeniti je da još uvijek cijelim srcem njega volim i nikada neću ni prestati....

Bože moj koliko tuge jedan čovjek može da podnese???

Sa Draganom su sunca sijala jače, zvijezde su bile sjajnije, svako jutro koje je svanulo je bilo u bojama jer je on bio tu a srce je od ljepote, ljubavi i dragosti kucalo deset puta brže i

jače. Život je imao smisao i budućnost je bila naša. Ali te subote se moj svijet prestao okretati, stao je, srce je kucalo sto puta polakše i

osmijeh koji je do tada bio pun topline i sreće se pretvorio u zamrznuto lice, tugu, suze i bol.... Imali smo skoro sve ali ono što je bilo najvažnije to nismo imali. Nismo imali vremena.....Naša ljubav se pretvorila u tužnu ljubavnu priču i na ovome svijetu nije bilo vremena za nas.....

Dragana više nema tu sa nama ali je on u mom srcu i ako je ono slomljeno i puklo ono kuca za mog Dragana. Svaki udisaj, svako jutro koje se probudim, svaka suza koja padne, svaki novi osmijeh koji se otme sa mog lica, svaka misao...sve je za jednu najveću ljubav. Moju ljubav, moje Okano....Ja živim za njega...

Dva puna mjeseca pokušavam da shvatim i realiziram sve što se dogodilo, ali ne mogu. Kako shvatiti da sam izgubila ono najvrijednije što sam ikada imala, kako shvatiti da "MORAM" dalje bez njega, kako realizirati da poruke i pozivi više neće stizati i da mi "Volim te" nikada više neće reći....

Ali on nije otišao ja znam da je on tu sa nama i da nas vidi i čuje i da zna koliko ga volimo ali da i vidi koliko nam nedostaje....Sretna sam da mi je dragi Bog pokazao kako se istinski voli, šta znači sreća i da imam svog Anđela i ako ga je prerano opet sebi uzeo. Ja znam da će mo se Dragan i ja opet sresti i da postoji život nakon smrti. Ne znam kada ali znam da ću ga opet vidjeti, zagrliti pogledati ga u oči i reći mu "Volim te". I radujem se tom našem ponovnom susretu....

Dragan će zauvijek ostati MOJA LJUBAV....Ovu prazninu koja je ostala poslije njega ću čuvati kako jeste, jer znam da je nitko osim njega više ispuniti neće moći. I koliko god da

budem na ovome svijetu ON će biti i ostati u mome srcu, voljet ću ga svakim danom više i čekati ga.....

Ja znam da ću nekada naučiti živjeti sa ovim bolom ali znam da NIKADA neću naučiti živjeti bez njega....

Bože molim te čuvaj mi ga....

Dragane voli te zauvijek tvoja

Katarina

12.09.2009 - 12.11.2009

Počivaj u miru Anđele moj.....

### *Katarina*

Jedino moje,

dani prolaze a tuga je sve veća. Još kad pomislim samo na to da se sutra navršavaju 2 puna bolna mjeseca kako te nema od kada si otišao u neki bolji svijet a mi ostali u bolu i suzama za voljenim sinom, bratom, rođakom, unukom, prijateljem i najvećoj ljubavi.

Nema riječi koje bi mogle opisati ovu bol i ovu tugu koja je ostala nakon tvog odlaska. Ali ja još uvijek ne mogu i ne želim da vjerujem da te nema :(

Bože moj kada bih te mogla samo vidjeti, dodirnuti, zagrliti.....svoj jadni život bih za to dala i puno više. ja ne mogu reći da me srce boli jer moje srce je otišlo sa tobom, a mene boli samo ono mjesto na kojemu je nekada bilo moje/tvoje srce.

Okano još te vidim pred sobom, još čujem tvoj osmijeh i tvoje riječi "Volim i ja tebe" :) Bože da mi ih je još samo jednom čuti...Lažem jer i to bi mi bilo premalo. Jer sa tobom bi mi i sto života bilo premalo....

Molim se svaki dan dragome Bogu da ti podari vječni mir i da ti kaže koliko te volim i koliko nam svima nedostaješ. Željela bih jednostavno zaspati i probuditi se kraj tebe i da te tvoje lice jedino što cijelu vječnost vidim...Svaki dan postavljam isto pitanje ZAŠTO Bože dragi ZAŠTO???? ali kao i uvijek odgovora nema.....Pitam se svaki dan kome ili čemu ja više živim jer ovaj život nije život bez tebe jedino moje. Ovo je samo patnja, tuga i bol....Ali ako je to što moram da prođem da bih "zaradila" da opet budem sa tobom onda nek boli koliko hoće za tebe podnosim sve muke ovoga svijeta jer samo ti si bio i ostatak ćeš zauvijek vrijedan svega i više od toga..... Ja možda ne znam mnogo ali jedno sigurno znam da te volim i da ću te vječno voljeti i da mi tako nedostaješ da za mene budućnosti bez tebe nema....Jer sama neću a s tobom ne mogu :(

Volim te Okano moje jedino....

***Katarina***

Ti si moj život,

moje sunce,

moja ljubav

moje sve.....

Ja ću sa rijekom bola u duši

čuvati ljubav svoju

i neću je nikome dati

jer tu ljubav ću vječno zvati "ljubav tvoju"....

Maleno moje osjećam kako mi suza niz obraz klizi

i dok vjetar moju kosu mrsi

samo gromovi koji se lome

nad plavim morem

za mene govore da me boli

jer znam da ti više kraj mene nisi.

Svakog jutra kada otvorim oči svoje

osjetim suzu koja se otme iz oka mog,

shvatim da te nema  
i da sam izgubila  
ono najvrijednije  
što sam ikada u životu imala,  
da sam izgubila ljubav života svog.

Molim te suzo nemoj padati ove noći  
pusti me da vjerujem  
da će mi moja ljubav opet doći.

Volim te .....

### **Bog mi uze anđela**

Ne mogu me utješiti  
ni sva blaga careva  
moralo je tako biti  
Bog mi uze anđela

Osmijeh za suze  
radost za bol  
probaj da l' možeš  
zamijenit' to

Spoznah na kraju  
dobro i zlo  
ne ide to zajedno

Ma, ne plačem, jaka sam ja  
tako sam naučila  
to se zlatna kiša nebeska  
Na moj obraz spustila

Ma, ne plačem, jaka sam ja  
tako sam naučila  
Bog mi dao, Bog i uzeo  
jedinog mog anđela

Nekom će radost, a nekom tuga  
život je rulet, igramo ga svi  
neko je gazda, a neko sluga  
al' jedan anđeo samo si ti

VOLIM TE.....

Ne znam kako podnijeti ove noći preduge  
ne znam kako pobjeći do svitanja  
ne znam kako vratiti jednu mladost skršenu  
i iz praha život joj podariti  
sad se pitam da li treba  
živjeti iz navike  
il' da skončam pa da budem kraj tebe

Jer gore si ti  
a ja dole sam sav željan njeznosti  
noćas najdraža opet srest ćemo se mi  
Bože, noćas rajska vrata otvori  
i u svoje dvore mene primi ti  
jer tu vječno počiva jedna ljubav najveća  
Bože moj, noćas ću za njom

Jer joj dugo nisam lice ljubio  
jer sam predugo se bez nje budio  
prerano je otišla moja ljubav najveća  
Bože moj, noćas ću za njom, za njom

Za mrvu ljubavi  
nismo svi rođeni  
brodovi sreće odlaze  
odlaze da se ne vrate

Neka se drugi raduju  
neka me noćas ne oplakuju  
jer čemu život, čemu sve  
kad sreće nema za mene

jos jedna evo pada noć  
mladosti moja, zbogom, moram poć  
visoko među zvijezdama  
da nađem mir, da nadjem sna  
gdje ljubav moja počiva.

Za mrvu ljubavi  
nismo svi rođeni  
godine sreću odnose  
odnose al je ne vrate.....

*Katarina*

Jedino moje,

za tri dana će biti 2 mjeseca kako te nema a ja bih željela da taj dan ne postoji, da si sa nama tu i da se radujemo zajedno....Ali ja znam da će samo suze biti moj prijatelj jer ja ne mogu bez tebe. Trebam te jer te volim :(

Samo kada bi znao kolika je praznina ostala....Ništa više nema smisla i ništa više nije kao prije niti će ikada više biti, jer tebe nema....

Danas je jedan od onih dana kada mi je jasno da si otišao, gdje se ne zavaravam da si dobro i da ćeš mi se javiti. Jedan od onih dana kada me istina i realitet sruše na pod i gdje ne mogu lagati samu sebe da ću te uskoro vidjeti....Jedan od onih dana kada bih najradije željela da ne postojim....Ali opet lažem jer "jedan" od tih dana je svaki dan :'(

Volim te jedino moje zauvijek!!!!

Nedostaješ...

"Jer čemu život, čemu sve kad sreće nema za mene"

*Katarina*

Dragane,

dani prolaze ali bol ostaje i sve je veća svakim danom koji prođe bez tebe.... Ljudi kažu da se sudbina treba prihvatiti ali je ja ne mogu akceptirati. Još uvijek čekam svaki dan da mi se

javiš, da te čujem da se nasmijem s tobom i da se radujemo našem sljedećem susretu....Ali najkasnije kad vidim sve tvoje slike oko sebe shvatim da uzalud čekam.....Jer ti si otišao....U neki bolji svijet i ostavio nas u suzama.....Ali ja ću dalje čekati...

Sa tobom je otišla moja sreća, moj život, moja ljubav, moje srce.....Još uvijek čujem tvoj glas tvoj osmijeh i ta moja sjećanja su jedino što mi pomažu da nekako preživim dane bez tebe, a svaki novi dan je nova borba.....

Nema riječi koje bi mogle da opišu bol i prazninu koju osjećam....

Tužna sam, boli i nedostaješ.....I znam da će ti osjećaji ostati vječno samo ću naučiti da šivim sa tim, ali nikada bez tebe!!!!

Neka te dragi Bog čuva jedino moje.....

Volim te.....

The background of the entire image is a textured, mottled brownish-gold color. In the upper right quadrant, there are two roses. One is a smaller, tighter bud, and the other is a larger, more open rose with many layers of petals. The roses are rendered in a soft, painterly style, blending into the background.

*Dragan Jovic was born in Mostar, BiH on Oktober 14, 1985 after brother Nikola,like secondly child in family mom Ines and dad Berislav. He was a beautiful healthful very happy baby, child and young adult.. Dragan's birth was a great gift from God. We thank God for choosing us to be his Parents.Its physical demise is a great price to endure and return that gift of love to God.*

*Dragan grew up in Capljina, he graduated High School on June,2004 and he was finishing College The Faculty of Electrical Engineering in Split , Croatia on December 22, 2008. He started work in Electricity power, energie distribution at the automatic control-SCADA on March 2009.*

*He loved his family, friends, his dog, his music, and he loved body-building and will be greatly missed by all who knew him. He always showed his smile and love to everyone around him.*

*He was believer Christian and everyone who met him loved her instantly. Dragan loved nothing more than company, joy, and thought all people should be given a hand in exigency and equal chance in life. He was voluntary donor of the blood ( fifteen times ).He dreamed of starting his own family one day.*

*Passionate in life, humble at heart. He loved life, he wanted to live. But, like many young men, he thought he was inexhaustible, invincible, that nothing could happen to him, that these things happened to "other" people. He was wrong, and unfortunately he didn't get a second chance to learn from this last mistake.*

*But no parent should have to bury their own child, especially because of something so preventable. We only wish he would have had the chance. He was taken before he could have that necessary experience. There are so many experiences he will never know. We can't ask why, however someday all our questions will be answered.*

*Life and the things we experience are a big mystery. Why things turn out the way they do is a mystery. We can never ask why, because we will never receive an answer so long as we are here on this earth. Dragan knows the answers and he will share them with us when we see him again in heaven, never take advantage of a single moment. In an accident sometimes involving unexplainable moment. Dragan was taken in the blink of an eye, probably due to a poor decision, that many other young men his age have made.*

*Dragan spent the Friday evening and into the night partying with his friends, and having a good time. He thought he could handle driving normally, late after midnight, crossways without lighting, most probably- tired and dreamy. He died instantly on the place of accident at coming home in Saturday, 02:55 am on September 12th, 2009, from various head injuries. He was't tied. At 5am on September 12th, two policemen and a doctor showed up at our home. They told us that Dragan was in a single car accident, roll-over and that he was dead?*

*Dragan will live forever in our memories and hearts. With the memory of Dragan, it is our hope and prayer that others will remember his life and how short but remarkable his time was with us. He touched so many hearts and we are all thankful God for our time with him. This memorial site is being created with the hope of bringing together all the people in Dragan's life. This is a wonderful way to share his life with so many. We hope that this gives everyone the opportunity to celebrate his life in their own way.*

*Always drive carefully, especially never drink and drive and never drive faster than your guardian angel can fly. Say I love you every time you say goodbye, because the chance could flee in a blink of an eye. For in the end, the past and memories are all we have.*

*Dragan Jović je rođen u Mostaru 14-ti listopada, 1985 godine poslije brata Nikole, kao drugo dijete u obitelji mame Ines i tate Berislava. Bio je prekrasna zdrava vesela beba, a kasnije i kao dječak i kao odrasli mladić. Draganovo rođenje je bilo veliki dar Božiji. Zahvaljujemo dragom Bogu što je izabrao upravo nas da budemo Draganovi roditelji. Njegov fizički odlazak je velika cijena trpljenja i vraćanja toga dara ljubavi Stvoritelju.*

*Dragan je odrastao u Čapljini, gdje je i maturirao na gimnaziji u lipnju 2004g, a diplomirao elektrotehniku 22-og prosinca 2008 godine na fakultetu FESB u Splitu, Republika Hrvatska. Počeo je raditi u elektroprivredi HZHB-Mostar, distribucija električne energije na daljinskim upravljanjima, SCADA u ožujku 2009 godine.*

*Volio je svoju obitelj, prijatelje, svoga psića, muziku, tjeležbu i mnogo će nedostajati onima koje je poznao. Svima oko sebe je pokazivao uvijek svoj osmijeh i ljubav. Bio je vjernik Kršćanin i malo ko ga ne bi zavolio kada bi se upoznali. Najviše je volio društvo, veselje i mislio je da svakome u nevolji treba pomoći i da svakome u životu treba dati istu priliku. Bio je u svojoj nesebičnosti dobrovoljni davalac krvi i podario je svoju dragocijenu krv drugima petnaest puta u svom kratkom životu. Sanjao je san o zasnivanju vlastite obitelji jednoga dana. Strastven u životu, skroman u srcu. Volio je život i želio ga živjeti. Ali kao mnogi mladi ljudi, mislio je da je „neumoran“ da mu se ništa ne može desiti, da se „te stvari“ dešavaju drugima. Nije bio u pravu i na nesreću nije dobio drugu priliku da nauči i spozna pogrešku. Ali svejedno, nijedan roditelj ne bi trebao pokapati svoje dijete, posebno ako se nešto tako može spriječiti. Željeli smo samo da ima priliku. Otišao je od nas prije nego što je mogao steći potrebno iskustvo. A, toliko je mnogo iskustva koje neće nikada više spoznati. Ne možemo sada pitati zašto, ali ipak na sva naša pitanja jednoga dana će biti odgovoreno. Život i mnoge druge stvari koje svakodnevno spoznajemo pripadaju misteriji. Zašto stvari ponekad izmaknu kontroli, takođe je tajna. Ne možemo pitati, jer za ovozemaljskoga života sigurno nikada nećemo dobiti odgovor. Dragan zna odgovore i on će ih podijeliti s nama kada se ponovo sretnemo na nebu, ne iskoristivši nikada za života prednosti jednoga trena. U nesreći ponekad učestvuju neočekivani trenutak. „Otišao je“ u trenu, najvjerojatnije donijevši pogrešnu odluku koju učine i mnogi drugi njegove dobi.*

*Dragan je proveo večer i noć zabavljajući se sa prijateljima u disko klubu u Čitluku. On je mislio da na povratku doma može voziti normalno ,iako je bilo kasno iza pola noći, raskrižje na mostiću u Miletini neosvijetljeno,te najvjerojatnije pospan i umoran.Život mu se ugasio u 02:55 sati iza pola noći u subotu, 12-tog rujna,2009 godine na mjestu nesreće, od zadobivenih povreda glave, pri povratku doma.Nije bio vezan sigurnosnim pojasom ! U 5 sati ujutro 12. rujna, dva policajca sa ljekarom su pozvonili u naš dom. Rekli su nam da je bila prometna nesreća , prevrtanje i da je Dragan mrtav?*

*Dragan će živiti vječno u našim sjećanjima i srcima.Sjećanjem na Dragana,a to je naša nada i naše molitve , želimo da i drugi ne zaborave njegov iako kratak,ali veoma upečatljiv i ispunjen život.Dotaknuo je mnoga srca i mi smo zahvalni Stvoritelju za vrijeme provedeno snjim. Ova memorijalna stranica je kreirana s nadom okupljanja svih ljudi iz Draganova života. To je prekrasan način dijeljenja njegova života s mnogima. Nadamo se da to daje priliku svima da slave njegov život na svoj način.*

*Uvijek vozite pažljivo,a posebno nikada nemojte piti i voziti i nikada voziti brže nego što vaš Andeo čuvar može letjeti.Recite „volim te“ svaki put kada kažete zbogom ,jer prilika može nestati u trenutku.I na kraju , prošlost i sjećanja su sve što imamo.*

Napustio nas je u 02:55 iza ponoći 12. rujna, 2009 g. u 24-toj godini života.

Passed away in 02:55 am on September 12 , 2009 at the age of 24.

No farewell words were spoken,  
No time to say good-by.

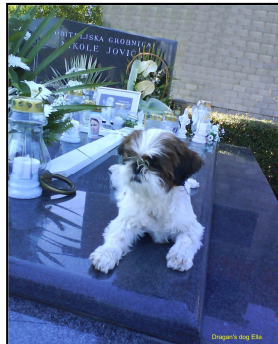

You were gone before we know it,  
And only God knows why.

Niti riječi oproštaja nismo rekli,

Niti je bilo vremena za reći Zbogom.

Otišao si prije nego smo saznali, A samo Bog zna ZAŠTO !
